| #  | ARTICLE  | IF  | CITATIONS |
|----|--|-----|-----------|
| 1  | The effect of question type on resistance to misinformation about present and absent details. <i>Applied Cognitive Psychology</i> , 2020, 34, 1323-1334.                                       | 1.6 | 5         |
| 2  | Remembering personal change for better or worse: Retrieval context matters. <i>Applied Cognitive Psychology</i> , 2020, 34, 1287-1299.   | 1.6 | 2         |
| 3  | Defending or relinquishing belief in occurrence for remembered events that are challenged: A social-cognitive model. <i>Applied Cognitive Psychology</i> , 2020, 34, 1243-1252.                | 1.6 | 9         |
| 4  | Translating (lack of) memories into reports: Conversion processes in responding to unanswerable questions.. <i>Journal of Experimental Psychology: General</i> , 2020, 149, 1231-1248.         | 2.1 | 5         |
| 5  | Nonbelieved memories in the false memory archive.. <i>Journal of Applied Research in Memory and Cognition</i> , 2019, 8, 429-438.  | 1.1 | 7         |
| 6  | On the role of autobiographical knowledge in shaping belief in the future occurrence of imagined events. <i>Quarterly Journal of Experimental Psychology</i> , 2019, 72, 2658-2671.            | 1.1 | 11        |
| 7  | Intoxicated eyewitnesses: The effect of a fully balanced placebo design on event memory and metacognitive control. <i>Applied Cognitive Psychology</i> , 2019, 33, 344-357.                    | 1.6 | 7         |
| 8  | Defending and reducing belief in memories: An experimental laboratory analogue. <i>Memory and Cognition</i> , 2018, 46, 770-786.   | 1.6 | 12        |
| 9  | A mega-analysis of memory reports from eight peer-reviewed false memory implantation studies. <i>Memory</i> , 2017, 25, 146-163.   | 1.7 | 125       |
| 10 | Theoretical and applied issues regarding autobiographical belief and recollection. <i>Memory</i> , 2017, 25, 865-868.  | 1.7 | 6         |
| 11 | Invited commentary on Brewin and Andrews (2016). <i>Applied Cognitive Psychology</i> , 2017, 31, 28-30.  | 1.6 | 3         |
| 12 | Sub-types of nonbelieved memories reveal differential outcomes of challenges to memories. <i>Memory</i> , 2017, 25, 876-889.   | 1.7 | 45        |
| 13 | Challenging memories in children and adults using an imagination inflation procedure.. <i>Psychology of Consciousness: Theory Research, and Practice</i> , 2016, 3, 270-283.                   | 0.4 | 14        |
| 14 | Dissociating appraisals of accuracy and recollection in autobiographical remembering.. <i>Journal of Experimental Psychology: Learning Memory and Cognition</i> , 2016, 42, 1068-1077.         | 0.9 | 10        |
| 15 | Nonbelieved memories across the adult lifespan.. <i>Psychology of Consciousness: Theory Research, and Practice</i> , 2015, 2, 461-474.   | 0.4 | 8         |
| 16 | Reappraising Past and Future Transitional Events: The Effects of Mental Focus on Present Perceptions of Personal Impact and Self-Relevance. <i>Journal of Personality</i> , 2015, 83, 361-375. | 3.2 | 18        |
| 17 | The consequences of suggesting false childhood food events. <i>Acta Psychologica</i> , 2015, 156, 1-7.   | 1.5 | 30        |
| 18 | Reasons for withdrawing belief in vivid autobiographical memories. <i>Memory</i> , 2015, 23, 545-562.  | 1.7 | 40        |

| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 19 | Metamemory appraisals in autobiographical event recall. <i>Cognition</i> , 2015, 136, 337-349.  | 2.2 | 27        |
| 20 | Equipping witnesses with transferable skills: the Self-Administered Interview. <i>Psychology, Crime and Law</i> , 2014, 20, 315-325.  | 1.0 | 24        |
| 21 | Enhancing older adults' eyewitness memory for present and future events with the Self-Administered Interview. <i>Psychology and Aging</i> , 2014, 29, 885-890.                  | 1.6 | 17        |
| 22 | The role of belief in occurrence within autobiographical memory. <i>Journal of Experimental Psychology: General</i> , 2014, 143, 1242-1258.                                     | 2.1 | 110       |
| 23 | The Cognitive Interview Buffers the Effects of Subsequent Repeated Questioning in the Absence of Negative Feedback. <i>Behavioral Sciences and the Law</i> , 2014, 32, 207-219. | 0.8 | 4         |
| 24 | On the Existence and Implications of Nonbelieved Memories. <i>Current Directions in Psychological Science</i> , 2014, 23, 349-354.  | 5.3 | 65        |
| 25 | Indirect cueing elicits distinct types of autobiographical event representations. <i>Consciousness and Cognition</i> , 2013, 22, 1495-1509.                                     | 1.5 | 24        |
| 26 | Improving responding to questioning using a brief retrieval training. <i>Journal of Applied Research in Memory and Cognition</i> , 2013, 2, 210-215.                            | 1.1 | 5         |
| 27 | Experimentally evoking nonbelieved memories for childhood events. <i>Journal of Experimental Psychology: Learning Memory and Cognition</i> , 2013, 39, 717-730.                 | 0.9 | 64        |
| 28 | Encouraging and clarifying "don't know" responses enhances interview quality. <i>Journal of Experimental Psychology: Applied</i> , 2013, 19, 72-82.                             | 1.2 | 26        |
| 29 | Implausibility inhibits but does not eliminate false autobiographical beliefs. <i>Canadian Journal of Experimental Psychology</i> , 2012, 66, 259-267.                          | 0.8 | 16        |
| 30 | Credible suggestions affect false autobiographical beliefs. <i>Memory</i> , 2012, 20, 429-442.  | 1.7 | 19        |
| 31 | Personalized and not general suggestion produces false autobiographical memories and suggestion-consistent behavior. <i>Acta Psychologica</i> , 2012, 139, 225-232.             | 1.5 | 18        |
| 32 | Self-esteem predicts quality of responding to interview questions when skill in responding is low. <i>Personality and Individual Differences</i> , 2012, 52, 363-368.           | 2.9 | 3         |
| 33 | False Memory Is in the Details: Photographic Details Differentially Predict Memory Formation. <i>Applied Cognitive Psychology</i> , 2012, 26, 333-341.                          | 1.6 | 22        |
| 34 | Memory for future gambling wins. <i>Psychology of Addictive Behaviors</i> , 2011, 25, 565-572.  | 2.1 | 9         |
| 35 | Event plausibility and imagination inflation: A reply to Pezdek and Blandon-Gitlin. <i>Applied Cognitive Psychology</i> , 2011, 25, 344-346.                                    | 1.6 | 5         |
| 36 | Script knowledge enhances the development of children's false memories. <i>Acta Psychologica</i> , 2010, 133, 57-63.  | 1.5 | 40        |

| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 37 | Nonbelieved Memories. <i>Psychological Science</i> , 2010, 21, 1334-1340.   | 3.3 | 149       |
| 38 | Imagination equally influences false memories of high and low plausibility events. <i>Applied Cognitive Psychology</i> , 2009, 23, 813-827.   | 1.6 | 28        |
| 39 | Suggesting childhood food illness results in reduced eating behavior. <i>Acta Psychologica</i> , 2008, 128, 304-309.  | 1.5 | 31        |
| 40 | Exploratory and Confirmatory Factor Analyses of the Structured Interview for Disorders of Extreme Stress. <i>Assessment</i> , 2008, 15, 404-425.  | 3.1 | 35        |
| 41 | Firefighter preferences regarding post-incident intervention. <i>Work and Stress</i> , 2008, 22, 314-326.   | 4.5 | 47        |
| 42 | "Don't know" responding to answerable and unanswerable questions during misleading and hypnotic interviews.. <i>Journal of Experimental Psychology: Applied</i> , 2008, 14, 255-265.  | 1.2 | 30        |
| 43 | So <i>what's</i> why I don't remember: Normalising forgetting of childhood events influences false autobiographical beliefs but not memories. <i>Memory</i> , 2007, 15, 801-813.  | 1.7 | 32        |
| 44 | “You and your best friend Suzy put Slime in Ms. Smollett’s desk” Producing false memories with self-relevant details. <i>Psychonomic Bulletin and Review</i> , 2007, 14, 1090-1095.   | 2.8 | 35        |
| 45 | The effects of prevalence and script information on plausibility, belief, and memory of autobiographical events. <i>Applied Cognitive Psychology</i> , 2006, 20, 1049-1064.   | 1.6 | 20        |
| 46 | The Relative Contribution of Trait and Social Influences to the Links Among Perceived Social Support, Affect, and Self-Esteem. <i>Journal of Personality</i> , 2005, 73, 361-388.   | 3.2 | 125       |
| 47 | Plausibility and belief in autobiographical memory. <i>Applied Cognitive Psychology</i> , 2004, 18, 791-807.  | 1.6 | 151       |
| 48 | The Information Used to Judge Supportiveness Depends on Whether the Judgment Reflects the Personality of Perceivers, the Objective Characteristics of Targets, or their Unique Relationships. <i>Journal of Social and Clinical Psychology</i> , 2004, 23, 817-835. | 0.5 | 14        |
| 49 | Immediate and persisting effects of misleading questions and hypnosis on memory reports.. <i>Journal of Experimental Psychology: Applied</i> , 2002, 8, 26-32.  | 1.2 | 8         |
