#	ARTICLE	IF	CITATIONS
1	More treatment but no less depression: The treatment-prevalence paradox. <i>Clinical Psychology Review</i> , 2022, 91, 102111.	11.4	56
2	Major Depression and Its Recurrences: Life Course Matters. <i>Annual Review of Clinical Psychology</i> , 2022, 18, 329-357.	12.3	73
3	The assessment and measurement of adult life stress: Basic premises, operational principles, and design requirements.. <i>Journal of Abnormal Psychology</i> , 2016, 125, 727-745.	1.9	161
4	Questioning Kindling. <i>Clinical Psychological Science</i> , 2016, 4, 229-238.	4.0	13
5	Stress: Psychological Perspectives. , 2015, , 583-587.		4
6	Life stress and family history for depression: The moderating role of past depressive episodes. <i>Journal of Psychiatric Research</i> , 2014, 49, 90-95.	3.1	63
7	Early parental loss and depression history: Associations with recent life stress in major depressive disorder. <i>Journal of Psychiatric Research</i> , 2011, 45, 1146-1152.	3.1	92
8	Recurrence in major depression: A conceptual analysis.. <i>Psychological Review</i> , 2011, 118, 655-674.	3.8	158
9	Gender differences in life events prior to onset of major depressive disorder: The moderating effect of age.. <i>Journal of Abnormal Psychology</i> , 2010, 119, 791-803.	1.9	85
10	Life Stress and Major Depression. <i>Current Directions in Psychological Science</i> , 2009, 18, 68-72.	5.3	62
11	Targeted Rejection Predicts Hastened Onset of Major Depression. <i>Journal of Social and Clinical Psychology</i> , 2009, 28, 223-243.	0.5	117
12	Stressful Life Events, Chronic Difficulties, and the Symptoms of Clinical Depression. <i>Journal of Nervous and Mental Disease</i> , 2009, 197, 154-160.	1.0	95
13	Modern Approaches to Conceptualizing and Measuring Human Life Stress. <i>Annual Review of Clinical Psychology</i> , 2008, 4, 33-52.	12.3	421
14	Gene-Environment Interactions in Depression Research. <i>Psychological Science</i> , 2008, 19, 947-956.	3.3	148
15	Placing the mnemonic model in context: Diagnostic, theoretical, and clinical considerations.. <i>Psychological Review</i> , 2008, 115, 1084-1096.	3.8	6
16	Postscript: Making important distinctions--Diagnostic models, theoretical models, and the mnemonic model of PTSD.. <i>Psychological Review</i> , 2008, 115, 1096-1098.	3.8	1
17	Major life events and major chronic difficulties are differentially associated with history of major depressive episodes.. <i>Journal of Abnormal Psychology</i> , 2007, 116, 116-124.	1.9	82
18	Severe life events predict specific patterns of change in cognitive biases in major depression. <i>Psychological Medicine</i> , 2007, 37, 863-871.	4.5	41

#	ARTICLE	IF	CITATIONS
19	Life stress and the long-term treatment course of recurrent depression: III. Nonsevere life events predict recurrence for medicated patients over 3 years.. Journal of Consulting and Clinical Psychology, 2006, 74, 112-120.	2.0	47
20	Major Depressive Disorder in Adolescence: The Role of Subthreshold Symptoms. Journal of the American Academy of Child and Adolescent Psychiatry, 2006, 45, 936-944.	0.5	97
21	Severe melancholic depression is more vulnerable than non-melancholic depression to minor precipitating life events. Journal of Affective Disorders, 2006, 91, 257-263.	4.1	37
22	Life Stress, the "Kindling" Hypothesis, and the Recurrence of Depression: Considerations From a Life Stress Perspective.. Psychological Review, 2005, 112, 417-445.	3.8	526
23	Childhood Adversity and the Endogenous Versus Nonendogenous Distinction in Women With Major Depression. American Journal of Psychiatry, 2002, 159, 387-393.	7.2	73
24	Life Stress and the Symptoms of Major Depression. Journal of Nervous and Mental Disease, 2001, 189, 168-175.	1.0	43
25	A comparison of two life stress assessment approaches: Prospective prediction of treatment outcome in recurrent depression.. Journal of Abnormal Psychology, 2000, 109, 787-791.	1.9	75
26	Life events and depression in adolescence: Relationship loss as a prospective risk factor for first onset of major depressive disorder.. Journal of Abnormal Psychology, 1999, 108, 606-614.	1.9	418
27	Comparison of cognitive models of depression: Relationships between cognitive constructs and cognitive diathesis-stress match.. Journal of Abnormal Psychology, 1997, 106, 395-403.	1.9	29
28	Respond to cognitive-behavioral therapy in depression: Effects of pretreatment cognitive dysfunction and life stress.. Journal of Consulting and Clinical Psychology, 1997, 65, 568-575.	2.0	13
29	Life stress and treatment course of recurrent depression: II. Postrecovery associations with attrition, symptom course, and recurrence over 3 years.. Journal of Abnormal Psychology, 1996, 105, 313-328.	1.9	42
30	Gender differences in cognitive diathesis-stress domain match: Implications for differential pathways to depression.. Journal of Abnormal Psychology, 1996, 105, 653-657.	1.9	16
31	Toward an integration of psychologic, social, and biologic factors in depression: Effects on outcome and course of cognitive therapy.. Journal of Consulting and Clinical Psychology, 1995, 63, 369-377.	2.0	46
32	A multidimensional model of self-esteem in depression. Clinical Psychology Review, 1994, 14, 161-181.	11.4	144
33	Measuring Life Stress and Assessing Its Impact on Mental Health. , 1994, , 43-73.		34
34	Cognition and life stress in depression: Cognitive factors and the definition, rating, and generation of negative life events.. Journal of Abnormal Psychology, 1993, 102, 584-591.	1.9	111
35	Evaluating the hopelessness model of depression: Diathesis-stress and symptom components.. Journal of Abnormal Psychology, 1993, 102, 592-600.	1.9	41
36	Life stress and treatment course of recurrent depression: I. Response during index episode.. Journal of Consulting and Clinical Psychology, 1992, 60, 718-724.	2.0	80

#	ARTICLE	IF	CITATIONS
37	Vulnerable self-esteem and depressive symptoms: Prospective findings comparing three alternative conceptualizations.. Journal of Personality and Social Psychology, 1992, 62, 804-812.	2.8	137
38	Social factors and the psychobiology of depression: Relations between life stress and rapid eye movement sleep latency.. Journal of Abnormal Psychology, 1992, 101, 528-537.	1.9	26
39	Toward the standardization of life stress assessment: Definitional discrepancies and inconsistencies in methods. Stress and Health, 1992, 8, 47-56.	0.5	74
40	Onset of depression and time to treatment entry: Roles of life stress.. Journal of Consulting and Clinical Psychology, 1991, 59, 566-573.	2.0	39
41	Diathesis-stress theories in the context of life stress research: Implications for the depressive disorders.. Psychological Bulletin, 1991, 110, 406-425.	6.1	1,609
42	The Dimensions of Life Stress and the Specificity of Disorder. Journal of Applied Social Psychology, 1990, 20, 1678-1694.	2.0	13
43	Conceptualizing and measuring life stress: Problems, principles, procedures, progress. Stress and Health, 1990, 6, 209-216.	0.5	73
44	Stress and Social Support. , 1989, , 511-526.		1
45	The Social Environment and Psychopathology. Journal of Social and Personal Relationships, 1988, 5, 347-366.	2.3	3
46	Social support, life events, and depressive symptoms: A 1-year prospective study.. Journal of Consulting and Clinical Psychology, 1986, 54, 424-431.	2.0	144
47	Conceptualization and measurement of human disorder in life stress research: The problem of chronic disturbance.. Psychological Bulletin, 1986, 99, 36-51.	6.1	377
48	Social support and psychopathology: Interrelations with preexisting disorder, stress, and personality.. Journal of Abnormal Psychology, 1986, 95, 29-39.	1.9	156
49	Life events and the endogenous-nonendogenous distinction in the treatment and posttreatment course of depression. Comprehensive Psychiatry, 1985, 26, 175-186.	3.1	30
50	Life Stress and Human Disorder: Conceptualization and Measurement of the Disordered Group. , 1985, , 303-320.		6
51	Major and minor life events as predictors of psychological distress: Further issues and findings. Journal of Behavioral Medicine, 1983, 6, 189-205.	2.1	275
52	Social support and disorder: Toward an untangling of cause and effect. American Journal of Community Psychology, 1983, 11, 81-97.	2.5	71
53	Prediction of psychological symptoms under high-risk psychosocial circumstances: Life events, social support, and symptom specificity.. Journal of Abnormal Psychology, 1983, 92, 338-350.	1.9	73
54	Life events, symptom course, and treatment outcome in unipolar depressed women.. Journal of Consulting and Clinical Psychology, 1983, 51, 604-615.	2.0	46

#	ARTICLE	IF	CITATIONS
55	Assessment of Life Events. Archives of General Psychiatry, 1982, 39, 606.	12.3	92
56	Life events and disorder: Event-symptom associations and the course of disorder.. Journal of Abnormal Psychology, 1982, 91, 14-24.	1.9	71
57	Life events assessment: Current practices, emerging trends. Clinical Psychology Review, 1982, 2, 435-453.	11.4	89
58	Learned helplessness in the perspective of the depressive disorders: Conceptual and definitional issues.. Journal of Abnormal Psychology, 1978, 87, 3-20.	1.9	207
59	The unipolarâ€“bipolar distinction in the depressive disorders.. Psychological Bulletin, 1978, 85, 1001-1029.	6.1	145
