#	ARTICLE	IF	CITATIONS
1	The effectiveness of internet-delivered cognitive behavioural therapy for health anxiety in routine care. <i>Journal of Affective Disorders</i> , 2020, 264, 535-542.	4.1	15
2	Transdiagnostic internet-delivered CBT and mindfulness-based treatment for depression and anxiety: A randomised controlled trial. <i>Internet Interventions</i> , 2020, 20, 100310.	2.7	49
3	Internet-delivered psychological interventions for clinical anxiety and depression in perinatal women: a systematic review and meta-analysis. <i>Archives of Women's Mental Health</i> , 2019, 22, 737-750.	2.6	74
4	A randomized controlled trial of MUMentum Pregnancy™: Internet-delivered cognitive behavioral therapy program for antenatal anxiety and depression. <i>Journal of Affective Disorders</i> , 2019, 243, 381-390.	4.1	94
5	Treating late-life depression: Comparing the effects of internet-delivered cognitive behavior therapy across the adult lifespan. <i>Journal of Affective Disorders</i> , 2018, 226, 58-65.	4.1	39
6	Royal Australian and New Zealand College of Psychiatrists clinical practice guidelines for the treatment of panic disorder, social anxiety disorder and generalised anxiety disorder. <i>Australian and New Zealand Journal of Psychiatry</i> , 2018, 52, 1109-1172.	2.3	137
7	Pilot Trial of the Reboot Online Program: An Internet-Delivered, Multidisciplinary Pain Management Program for Chronic Pain. <i>Pain Research and Management</i> , 2018, 2018, 1-11.	1.8	11
8	Online mindfulness-enhanced cognitive behavioural therapy for anxiety and depression: Outcomes of a pilot trial. <i>Internet Interventions</i> , 2018, 13, 41-50.	2.7	19
9	Internet-based cognitive behavioural therapy (iCBT) for perinatal anxiety and depression versus treatment as usual: study protocol for two randomised controlled trials. <i>Trials</i> , 2018, 19, 56.	1.6	17
10	Do guided internet-based interventions result in clinically relevant changes for patients with depression? An individual participant data meta-analysis. <i>Clinical Psychology Review</i> , 2018, 63, 80-92.	11.4	239
11	Integrating iCBT for generalized anxiety disorder into routine clinical care: Treatment effects across the adult lifespan. <i>Journal of Anxiety Disorders</i> , 2017, 51, 47-54.	3.2	34
12	The effectiveness of unguided internet cognitive behavioural therapy for mixed anxiety and depression. <i>Internet Interventions</i> , 2017, 10, 47-53.	2.7	46
13	Transdiagnostic versus disorder-specific internet-delivered cognitive behaviour therapy for anxiety and depression in primary care. <i>Journal of Anxiety Disorders</i> , 2017, 46, 25-34.	3.2	58
14	Web-Based Cognitive Behavior Therapy for Depression in People With Diabetes Mellitus: A Randomized Controlled Trial. <i>Journal of Medical Internet Research</i> , 2017, 19, e157.	4.3	71
15	Internet cognitive behavioural treatment for panic disorder: randomised controlled trial and evidence of effectiveness in primary care. <i>BJPsych Open</i> , 2016, 2, 154-162.	0.7	37
16	Computerised cognitive behaviour therapy for major depression: a reply to the REEACT trial. <i>Evidence-Based Mental Health</i> , 2016, 19, 43-45.	4.5	6
17	Pilot trial of a therapist-supported internet-delivered cognitive behavioural therapy program for health anxiety. <i>Internet Interventions</i> , 2016, 6, 71-79.	2.7	17
18	Pragmatic treatment options for depression and anxiety disorders are needed. <i>World Psychiatry</i> , 2016, 15, 241-242.	10.4	4

#	ARTICLE	IF	CITATIONS
19	Internet-based cognitive behavioural therapy (iCBT) for posttraumatic stress disorder versus waitlist control: study protocol for a randomised controlled trial. <i>Trials</i> , 2015, 16, 544.	1.6	5
20	Frequency and quality of mental health treatment for affective and anxiety disorders among Australian adults. <i>Medical Journal of Australia</i> , 2015, 202, 185-189.	1.7	75
21	Help-seeking characteristics of Chinese- and English-speaking Australians accessing Internet-delivered cognitive behavioural therapy for depression. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2015, 50, 89-97.	3.1	7
22	Developing a roadmap for the translation of e-mental health services for depression. <i>Australian and New Zealand Journal of Psychiatry</i> , 2015, 49, 776-784.	2.3	73
23	Online physical activity interventions for mental disorders: A systematic review. <i>Internet Interventions</i> , 2015, 2, 214-220.	2.7	27
24	Treatment-as-usual (TAU) is anything but usual: A meta-analysis of CBT versus TAU for anxiety and depression. <i>Journal of Affective Disorders</i> , 2015, 175, 152-167.	4.1	148
25	Internet-Delivered Cognitive Behavior Therapy for Anxiety Disorders Is Here to Stay. <i>Current Psychiatry Reports</i> , 2015, 17, 533.	4.5	37
26	Cognitive behaviour therapy via the internet for depression: A useful strategy to reduce suicidal ideation. <i>Journal of Affective Disorders</i> , 2015, 170, 78-84.	4.1	39
27	Lifetime and current prevalence of common DSM-IV mental disorders, their demographic correlates, and association with service utilisation and disability in older Australian adults. <i>Australian and New Zealand Journal of Psychiatry</i> , 2015, 49, 145-155.	2.3	21
28	Up-scaling clinician assisted internet cognitive behavioural therapy (iCBT) for depression: A model for dissemination into primary care. <i>Clinical Psychology Review</i> , 2015, 41, 40-48.	11.4	70
29	Occupational impact of internet-delivered cognitive behaviour therapy for depression and anxiety: reanalysis of data from five Australian randomised controlled trials. <i>Medical Journal of Australia</i> , 2014, 201, 417-419.	1.7	10
30	The use of automated assessments in internet-based CBT: The computer will be with you shortly. <i>Internet Interventions</i> , 2014, 1, 216-224.	2.7	23
31	The effectiveness of internet cognitive behaviour therapy (iCBT) for social anxiety disorder across two routine practice pathways. <i>Internet Interventions</i> , 2014, 1, 225-229.	2.7	40
32	Current perspectives on Internet delivered cognitive behavioral therapy for adults with anxiety and related disorders. <i>Psychology Research and Behavior Management</i> , 2014, 7, 37.	2.8	52
33	Structure of the DSM-5 generalized anxiety disorder criteria among a large community sample of worriers. <i>Journal of Affective Disorders</i> , 2014, 157, 18-24.	4.1	5
34	Relationship between measurement invariance and age-related differences in the prevalence of generalized anxiety disorder. <i>Journal of Affective Disorders</i> , 2014, 152-154, 306-312.	4.1	13
35	Internet cognitive behavioural treatment for obsessive compulsive disorder: A randomised controlled trial. <i>Behaviour Research and Therapy</i> , 2014, 63, 99-106.	3.1	73
36	Internet access is NOT restricted globally to high income countries: So why are evidenced based prevention and treatment programs for mental disorders so rare?. <i>Asian Journal of Psychiatry</i> , 2014, 10, 71-74.	2.0	29

#	ARTICLE	IF	CITATIONS
37	Demographic, Clinical, and Lifestyle Correlates of Subjective Memory Complaints in the Australian Population. <i>American Journal of Geriatric Psychiatry</i> , 2014, 22, 1222-1232.	1.2	42
38	Universal Internet-based prevention for alcohol and cannabis use reduces truancy, psychological distress and moral disengagement: A cluster randomised controlled trial. <i>Preventive Medicine</i> , 2014, 65, 109-115.	3.4	44
39	Preventing anxiety and depression in adolescents: A randomised controlled trial of two school based Internet-delivered cognitive behavioural therapy programmes. <i>Internet Interventions</i> , 2014, 1, 90-94.	2.7	47
40	Effectiveness of transdiagnostic internet cognitive behavioural treatment for mixed anxiety and depression in primary care. <i>Journal of Affective Disorders</i> , 2014, 165, 45-52.	4.1	72
41	Reductions in negative repetitive thinking and metacognitive beliefs during transdiagnostic internet cognitive behavioural therapy (iCBT) for mixed anxiety and depression. <i>Behaviour Research and Therapy</i> , 2014, 59, 52-60.	3.1	48
42	Health anxiety in Australia: prevalence, comorbidity, disability and service use. <i>British Journal of Psychiatry</i> , 2013, 202, 56-61.	2.8	204
43	Combining imagination and reason in the treatment of depression: A randomized controlled trial of internet-based cognitive-bias modification and internet-CBT for depression.. <i>Journal of Consulting and Clinical Psychology</i> , 2013, 81, 793-799.	2.0	133
44	The impact of psychological distress tolerance in the treatment of depression. <i>Behaviour Research and Therapy</i> , 2013, 51, 469-475.	3.1	56
45	The 10-Item Kessler Psychological Distress Scale (K10) as a Screening Instrument in Older Individuals. <i>American Journal of Geriatric Psychiatry</i> , 2013, 21, 596-606.	1.2	60
46	Factor mixture analysis of DSM-IV symptoms of major depression in a treatment seeking clinical population. <i>Comprehensive Psychiatry</i> , 2013, 54, 474-483.	3.1	13
47	Comorbidity and Internet-Delivered Transdiagnostic Cognitive Behavioural Therapy for Anxiety Disorders. <i>Cognitive Behaviour Therapy</i> , 2013, 42, 180-192.	3.5	40
48	Poor self-rated health and its associations with somatisation in two Australian national surveys. <i>BMJ Open</i> , 2013, 3, e002965.	1.9	14
49	A Naturalistic Study of the Acceptability and Effectiveness of Internet-Delivered Cognitive Behavioural Therapy for Psychiatric Disorders in Older Australians. <i>PLoS ONE</i> , 2013, 8, e71825.	2.5	40
50	The Effectiveness of Internet Cognitive Behavioural Therapy (iCBT) for Depression in Primary Care: A Quality Assurance Study. <i>PLoS ONE</i> , 2013, 8, e57447.	2.5	115
51	Psychological distress across the lifespan: examining age-related item bias in the Kessler 6 Psychological Distress Scale. <i>International Psychogeriatrics</i> , 2012, 24, 231-242.	1.0	40
52	Developing a short-form structured diagnostic interview for common mental disorders using signal detection theory. <i>International Journal of Methods in Psychiatric Research</i> , 2012, 21, 247-257.	2.1	7
53	Investigating trajectories of change in psychological distress amongst patients with depression and generalised anxiety disorder treated with internet cognitive behavioural therapy. <i>Behaviour Research and Therapy</i> , 2012, 50, 374-380.	3.1	74
54	Adherence as a determinant of effectiveness of internet cognitive behavioural therapy for anxiety and depressive disorders. <i>Behaviour Research and Therapy</i> , 2012, 50, 463-468.	3.1	180

#	ARTICLE	IF	CITATIONS
55	THE EFFECTIVENESS OF INTERNET COGNITIVE BEHAVIOURAL THERAPY FOR GENERALIZED ANXIETY DISORDER IN CLINICAL PRACTICE. <i>Depression and Anxiety</i> , 2012, 29, 843-849.	4.1	84
56	Investigating the Factor Structure of the Kessler Psychological Distress Scale in Community and Clinical Samples of the Australian Population. <i>Journal of Psychopathology and Behavioral Assessment</i> , 2012, 34, 253-259.	1.2	55
57	Culturally attuned Internet treatment for depression amongst Chinese Australians: A randomised controlled trial. <i>Journal of Affective Disorders</i> , 2012, 136, 459-468.	4.1	136
58	Effectiveness Randomized Controlled Trial of Face to Face Versus Internet Cognitive Behaviour Therapy for Social Phobia. <i>Australian and New Zealand Journal of Psychiatry</i> , 2011, 45, 337-340.	2.3	122
59	Developing the Climate Schools: Alcohol and Cannabis Module: A Harm-Minimization, Universal Drug Prevention Program Facilitated by the Internet. <i>Substance Use and Misuse</i> , 2011, 46, 1651-1663.	1.4	19
60	Transdiagnostic internet treatment for anxiety and depression: A randomised controlled trial. <i>Behaviour Research and Therapy</i> , 2011, 49, 441-452.	3.1	245
61	An open trial of a brief transdiagnostic internet treatment for anxiety and depression. <i>Behaviour Research and Therapy</i> , 2011, 49, 830-837.	3.1	79
62	An Internet administered treatment program for obsessive-compulsive disorder: A feasibility study. <i>Journal of Anxiety Disorders</i> , 2011, 25, 1102-1107.	3.2	67
63	A RCT of a Transdiagnostic Internet-Delivered Treatment for Three Anxiety Disorders: Examination of Support Roles and Disorder-Specific Outcomes. <i>PLoS ONE</i> , 2011, 6, e28079.	2.5	107
64	Measuring the level of diagnostic concordance and discordance between modules of the CIDI-Short Form and the CIDI-Auto 2.1. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2011, 46, 775-785.	3.1	14
65	Estimating the Prevalence of DSM-IV Mental Illness in the Australian General Population Using the Kessler Psychological Distress Scale. <i>Australian and New Zealand Journal of Psychiatry</i> , 2011, 45, 880-889.	2.3	38
66	Characteristics and Treatment Preferences of People with Symptoms of Posttraumatic Stress Disorder: An Internet Survey. <i>PLoS ONE</i> , 2011, 6, e21864.	2.5	43
67	Internet-based prevention for alcohol and cannabis use: final results of the Climate Schools course. <i>Addiction</i> , 2010, 105, 749-759.	3.3	165
68	Computer-delivered cognitive behavioural therapy: effective and getting ready for dissemination. <i>F1000 Medicine Reports</i> , 2010, 2, .	2.9	21
69	Characteristics of Adults with Anxiety or Depression Treated at an Internet Clinic: Comparison with a National Survey and an Outpatient Clinic. <i>PLoS ONE</i> , 2010, 5, e10885.	2.5	84
70	Internet Treatment for Depression: A Randomized Controlled Trial Comparing Clinician vs. Technician Assistance. <i>PLoS ONE</i> , 2010, 5, e10939.	2.5	349
71	Internet Treatment for Generalized Anxiety Disorder: A Randomized Controlled Trial Comparing Clinician vs. Technician Assistance. <i>PLoS ONE</i> , 2010, 5, e10942.	2.5	215
72	Consistency of Diagnostic Thresholds in DSM-V. <i>Australian and New Zealand Journal of Psychiatry</i> , 2010, 44, 309-313.	2.3	8
