#	ARTICLE	IF	CITATIONS
1	Implementing drug checking as an illicit drug market intervention within the supply chain in a Canadian setting. <i>Drugs: Education, Prevention and Policy</i> , 2023, 30, 443-452.	1.3	6
2	<i>â€ˆItâ€™s like a safety havenâ€™</i>: considerations for the implementation of managed alcohol programs in Scotland. <i>Drugs: Education, Prevention and Policy</i> , 2022, 29, 477-489.	1.3	5
3	Young People Who Use Drugs Views Toward the Power and Authority of Police Officers. <i>Contemporary Drug Problems</i> , 2022, 49, 170-191.	1.6	7
4	Participation in Canadian Managed Alcohol Programs and Associated Probabilities of Emergency Room Presentation, Hospitalization and Death: A Retrospective Cohort Study. <i>Alcohol and Alcoholism</i> , 2022, 57, 246-260.	1.6	5
5	Assessing the feasibility, acceptability and accessibility of a peer-delivered intervention to reduce harm and improve the well-being of people who experience homelessness with problem substance use: the SHARPS study. <i>Harm Reduction Journal</i> , 2022, 19, 10.	3.2	6
6	Navigating conflicting value systems: a grounded theory of the process of public health equity work in the context of mental health promotion and prevention of harms of substance use. <i>BMC Public Health</i> , 2022, 22, 210.	2.9	3
7	A peer-delivered intervention to reduce harm and improve the well-being of homeless people with problem substance use: the SHARPS feasibility mixed-methods study. <i>Health Technology Assessment</i> , 2022, 26, 1-128.	2.8	6
8	Factors associated with 60-day adherence to â€œsafer supplyâ€œ opioids prescribed under British Columbia's interim clinical guidance for health care providers to support people who use drugs during COVID-19 and the ongoing overdose emergency. <i>International Journal of Drug Policy</i> , 2022, 105, 103709.	3.3	17
9	â€œThere are solutions and I think we're still working in the problemâ€œ The limitations of decriminalization under the good Samaritan drug overdose act and lessons from an evaluation in British Columbia, Canada. <i>International Journal of Drug Policy</i> , 2022, 105, 103714.	3.3	11
10	Applicability of a national strategy for patient-oriented research to people who use(d) substances: a Canadian experience. <i>Research Involvement and Engagement</i> , 2022, 8, .	2.9	1
11	â€œI have such a hard time hitting myself, I thought itâ€™d be easierâ€œ perspectives of hospitalized patients on injecting drugs into vascular access devices. <i>Harm Reduction Journal</i> , 2022, 19, .	3.2	2
12	Awareness and knowledge of the Good Samaritan Drug Overdose Act among people at risk of witnessing an overdose in British Columbia, Canada: a multi-methods cross sectional study. <i>Substance Abuse Treatment, Prevention, and Policy</i> , 2022, 17, .	2.2	2
13	Harm reduction as an approach to ethical nursing care of people who use illicit substances: an integrative literature review of micro and meso influences. <i>Drugs: Education, Prevention and Policy</i> , 2021, 28, 533-546.	1.3	2
14	Event-level outcomes of police interactions with young people in three non-metropolitan cities across British Columbia, Canada. <i>International Journal of Drug Policy</i> , 2021, 91, 102824.	3.3	3
15	Breaking the cycle of survival drinking: insights from a non-residential, peer-initiated and peer-run managed alcohol program. <i>Drugs: Education, Prevention and Policy</i> , 2021, 28, 172-180.	1.3	12
16	Investigating the need for alcohol harm reduction and managed alcohol programs for people experiencing homelessness and alcohol use disorders in Scotland. <i>Drug and Alcohol Review</i> , 2021, 40, 220-230.	2.1	17
17	â€œIt's an emotional roller coasterâ€œ But sometimes it's fucking awesomeâ€œ Meaning and motivation of work for peers in overdose response environments in British Columbia. <i>International Journal of Drug Policy</i> , 2021, 88, 103015.	3.3	28
18	COVID-19 Social Restrictions: An Opportunity to Re-visit the Concept of Harm Reduction in the Treatment of Alcohol Dependence. A Position Paper. <i>Frontiers in Psychiatry</i> , 2021, 12, 623649.	2.6	11

#	ARTICLE	IF	CITATIONS
19	â€œRunning myself raggedâ€ stressors faced by peer workers in overdose response settings. Harm Reduction Journal, 2021, 18, 18.	3.2	31
20	Public support for harm reduction: A population survey of Canadian adults. PLoS ONE, 2021, 16, e0251860.	2.5	20
21	The potential impacts of community drug checking within the overdose crisis: qualitative study exploring the perspective of prospective service users. BMC Public Health, 2021, 21, 1156.	2.9	26
22	â€œIf I knew I could get that every hour instead of alcohol, I would take the cannabisâ€ need and feasibility of cannabis substitution implementation in Canadian managed alcohol programs. Harm Reduction Journal, 2021, 18, 65.	3.2	5
23	Equity-oriented frameworks to inform responses to opioid overdoses: a scoping review. JBI Evidence Synthesis, 2021, 19, 1760-1843.	1.3	13
24	Evaluation of risk mitigation measures for people with substance use disorders to address the dual public health crises of COVID-19 and overdose in British Columbia: a mixed-method study protocol. BMJ Open, 2021, 11, e048353.	1.9	26
25	â€œThe health equity curseâ€ ethical tensions in promoting health equity. BMC Public Health, 2021, 21, 1567.	2.9	6
26	Homeless encampments: connecting public health and human rights. Canadian Journal of Public Health, 2021, 112, 988-991.	2.3	7
27	Using intervention mapping to develop â€˜ROSEâ€™: an intervention to support peer workers in overdose response settings. BMC Health Services Research, 2021, 21, 1279.	2.2	5
28	â€œPPI? That sounds like Payment Protection Insuranceâ€ Reflections and learning from a substance use and homelessness study Experts by Experience group. Research Involvement and Engagement, 2021, 7, 82.	2.9	5
29	Peer Support and Overdose Prevention Responses: A Systematic â€˜State-of-the-Artâ€™ Review. International Journal of Environmental Research and Public Health, 2021, 18, 12073.	2.6	20
30	â€œIt's like super structuralâ€â€ Overdose experiences of youth who use drugs and police in three non-metropolitan cities across British Columbia. International Journal of Drug Policy, 2020, 76, 102623.	3.3	29
31	â€˜Most at riskâ€™ for COVID19? The imperative to expand the definition from biological to social factors for equity. Preventive Medicine, 2020, 139, 106229.	3.4	24
32	Defining culturally safe primary care for people who use substances: a participatory concept mapping study. BMC Health Services Research, 2020, 20, 1060.	2.2	10
33	Exploring the experience of inpatients with severe alcohol use disorder on a managed alcohol program (MAP) at St. Paul's Hospital. Harm Reduction Journal, 2020, 17, 28.	3.2	5
34	What is needed for implementing drug checking services in the context of the overdose crisis? A qualitative study to explore perspectives of potential service users. Harm Reduction Journal, 2020, 17, 29.	3.2	44
35	Quality of Life and Mental Well-Being: A Gendered Analysis of Persons Experiencing Homelessness in Canada. Community Mental Health Journal, 2020, 56, 1496-1503.	2.0	5
36	The Nuxalk Sputc (Eulachon) Project: Strengthening Indigenous management authority through community-driven research. Marine Policy, 2020, 119, 103971.	3.2	9

#	ARTICLE	IF	CITATIONS
37	Impact of overdose prevention sites during a public health emergency in Victoria, Canada. PLoS ONE, 2020, 15, e0229208.	2.5	41
38	Substance Use Education in Canadian Nursing Programs: A Student Survey. Journal of Nursing Education, 2020, 59, 510-513.	0.9	1
39	Impact of overdose prevention sites during a public health emergency in Victoria, Canada. , 2020, 15, e0229208.		0
40	Impact of overdose prevention sites during a public health emergency in Victoria, Canada. , 2020, 15, e0229208.		0
41	Impact of overdose prevention sites during a public health emergency in Victoria, Canada. , 2020, 15, e0229208.		0
42	Impact of overdose prevention sites during a public health emergency in Victoria, Canada. , 2020, 15, e0229208.		0
43	Supporting Harm Reduction through Peer Support (SHARPS): testing the feasibility and acceptability of a peer-delivered, relational intervention for people with problem substance use who are homeless, to improve health outcomes, quality of life and social functioning and reduce harms: study protocol. Pilot and Feasibility Studies, 2019, 5, 64.	1.2	13
44	Evidence use in equity focused health impact assessment: a realist evaluation. BMC Public Health, 2019, 19, 230.	2.9	6
45	On the outside looking in: Finding a place for managed alcohol programs in the harm reduction movement. International Journal of Drug Policy, 2019, 67, 58-62.	3.3	24
46	The implementation of overdose prevention sites as a novel and nimble response during an illegal drug overdose public health emergency. International Journal of Drug Policy, 2019, 66, 64-72.	3.3	78
47	Principles, practice, and policy vacuums: Policy actor views on provincial/territorial harm reduction policy in Canada. International Journal of Drug Policy, 2019, 71, 142-149.	3.3	20
48	Managed alcohol programs in the context of Housing First. Housing, Care and Support, 2019, 22, 207-215.	0.7	5
49	Health equity-oriented approaches to inform responses to opioid overdoses. JBI Database of Systematic Reviews and Implementation Reports, 2019, 17, 640-653.	1.7	2
50	Exploring Nurses' Perceptions of a Managed Alcohol Program at an Acute Care Hospital. Canadian Journal of Addiction, 2019, 10, 24-28.	0.4	3
51	Peer engagement barriers and enablers: insights from people who use drugs in British Columbia, Canada. Canadian Journal of Public Health, 2019, 110, 227-235.	2.3	26
52	Factors Associated with Nonfatal Overdose During a Public Health Emergency. Substance Use and Misuse, 2019, 54, 39-45.	1.4	15
53	Where's the Housing? Housing and Income Outcomes of a Transitional Program to End Homelessness. Journal of Poverty, 2019, 23, 161-178.	1.1	5
54	What Is Missing from "Patient Oriented Research"? A View from Public Health Systems and Services. Healthcare Policy, 2019, 15, 10-19.	0.6	10

#	ARTICLE	IF	CITATIONS
55	Managed alcohol programs: Is it time for a more radical approach to reduce harms for people experiencing homelessness and alcohol use disorders?. <i>Drug and Alcohol Review</i> , 2018, 37, S129-S131.	2.1	6
56	Sheltering risks: Implementation of harm reduction in homeless shelters during an overdose emergency. <i>International Journal of Drug Policy</i> , 2018, 53, 83-89.	3.3	47
57	How do people with homelessness and alcohol dependence cope when alcohol is unaffordable? A comparison of residents of Canadian managed alcohol programs and locally recruited controls. <i>Drug and Alcohol Review</i> , 2018, 37, S174-S183.	2.1	28
58	Community managed alcohol programs in Canada: Overview of key dimensions and implementation. <i>Drug and Alcohol Review</i> , 2018, 37, S132-S139.	2.1	46
59	Counting the cold ones: A comparison of methods measuring total alcohol consumption of managed alcohol program participants. <i>Drug and Alcohol Review</i> , 2018, 37, S167-S173.	2.1	10
60	Turning a blind eye: implementation of harm reduction in a transitional programme setting. <i>Drugs: Education, Prevention and Policy</i> , 2018, 25, 21-30.	1.3	19
61	Does managing the consumption of people with severe alcohol dependence reduce harm? A comparison of participants in six Canadian managed alcohol programs with locally recruited controls. <i>Drug and Alcohol Review</i> , 2018, 37, S159-S166.	2.1	42
62	Factors associated with public injection and nonfatal overdose among people who inject drugs in street-based settings. <i>Drugs: Education, Prevention and Policy</i> , 2018, 25, 38-46.	1.3	6
63	How Equity-Oriented Health Care Affects Health: Key Mechanisms and Implications for Primary Health Care Practice and Policy. <i>Milbank Quarterly</i> , 2018, 96, 635-671.	4.4	109
