#	ARTICLE	IF	CITATIONS
1	Evolution of public attitudes about mental illness: a systematic review and meta-analysis. <i>Acta Psychiatrica Scandinavica</i> , 2012, 125, 440-452.	4.5	648
2	The Stigma of Alcohol Dependence Compared with Other Mental Disorders: A Review of Population Studies. <i>Alcohol and Alcoholism</i> , 2011, 46, 105-112.	1.6	511
3	Biogenetic explanations and public acceptance of mental illness: Systematic review of population studies. <i>British Journal of Psychiatry</i> , 2011, 199, 367-372.	2.8	276
4	Stigma and its impact on help-seeking for mental disorders: what do we know?. <i>Epidemiologia E Psichiatria Sociale</i> , 2008, 17, 31-37.	0.9	252
5	Attitudes towards psychiatric treatment and people with mental illness: changes over two decades. <i>British Journal of Psychiatry</i> , 2013, 203, 146-151.	2.8	246
6	The stigma of psychiatric treatment and help-seeking intentions for depression. <i>European Archives of Psychiatry and Clinical Neuroscience</i> , 2009, 259, 298-306.	3.2	208
7	Public attitudes towards psychiatry and psychiatric treatment at the beginning of the 21st century: a systematic review and meta-analysis of population surveys. <i>World Psychiatry</i> , 2017, 16, 50-61.	10.4	171
8	Self-stigma in alcohol dependence: Consequences for drinking-refusal self-efficacy. <i>Drug and Alcohol Dependence</i> , 2011, 114, 12-17.	3.2	155
9	The downside of tobacco control? Smoking and self-stigma: A systematic review. <i>Social Science and Medicine</i> , 2015, 145, 26-34.	3.8	150
10	Continuum beliefs and stigmatizing attitudes towards persons with schizophrenia, depression and alcohol dependence. <i>Psychiatry Research</i> , 2013, 209, 665-669.	3.3	148
11	The stigma of obesity in the general public and its implications for public health - a systematic review. <i>BMC Public Health</i> , 2011, 11, 661.	2.9	124
12	Causal beliefs of the public and social acceptance of persons with mental illness: a comparative analysis of schizophrenia, depression and alcohol dependence. <i>Psychological Medicine</i> , 2014, 44, 303-314.	4.5	124
13	Stigma as a barrier to recognizing personal mental illness and seeking help: a prospective study among untreated persons with mental illness. <i>European Archives of Psychiatry and Clinical Neuroscience</i> , 2019, 269, 469-479.	3.2	111
14	Developing a research agenda for reducing the stigma of addictions, part II: Lessons from the mental health stigma literature. <i>American Journal on Addictions</i> , 2017, 26, 67-74.	1.4	107
15	Gender differences in public beliefs and attitudes about mental disorder in western countries: A systematic review of population studies. <i>Epidemiology and Psychiatric Sciences</i> , 2012, 21, 73-85.	3.9	105
16	Attitudes that determine willingness to seek psychiatric help for depression: a representative population survey applying the Theory of Planned Behaviour. <i>Psychological Medicine</i> , 2009, 39, 1855-1865.	4.5	101
17	Collective levels of stigma and national suicide rates in 25 European countries. <i>Epidemiology and Psychiatric Sciences</i> , 2015, 24, 166-171.	3.9	96
18	Developing a research agenda for understanding the stigma of addictions Part I: Lessons from the Mental Health Stigma Literature. <i>American Journal on Addictions</i> , 2017, 26, 59-66.	1.4	85

#	ARTICLE	IF	CITATIONS
19	An online intervention using information on the mental health-mental illness continuum to reduce stigma. <i>European Psychiatry</i> , 2016, 32, 21-27.	0.2	78
20	Attitudes Toward Mental Health Help Seeking as Predictors of Future Help-Seeking Behavior and Use of Mental Health Treatments. <i>Psychiatric Services</i> , 2016, 67, 650-657.	2.0	73
21	Personal stigma, problem appraisal and perceived need for professional help in currently untreated depressed persons. <i>Journal of Affective Disorders</i> , 2012, 139, 94-97.	4.1	69
22	Personality-related factors as predictors of help-seeking for depression: a population-based study applying the Behavioral Model of Health Services Use. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2013, 48, 1809-1817.	3.1	66
23	Similarities and Differences of Mental Health in Women and Men: A Systematic Review of Findings in Three Large German Cohorts. <i>Frontiers in Public Health</i> , 2021, 9, 553071.	2.7	63
24	Continuum beliefs and mental illness stigma: a systematic review and meta-analysis of correlation and intervention studies. <i>Psychological Medicine</i> , 2021, 51, 716-726.	4.5	62
25	A prospective study of Quality of life in schizophrenia in three European countries. <i>Schizophrenia Research</i> , 2007, 93, 194-202.	2.0	61
26	Changes in the perception of mental illness stigma in Germany over the last two decades. <i>European Psychiatry</i> , 2014, 29, 390-395.	0.2	60
27	Stigmatization of people with alcohol use disorders: An updated systematic review of population studies. <i>Alcoholism: Clinical and Experimental Research</i> , 2021, 45, 899-911.	2.4	59
28	Preferences of the public regarding cutbacks in expenditure for patient care. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2006, 41, 369-377.	3.1	56
29	Different biogenetic causal explanations and attitudes towards persons with major depression, schizophrenia and alcohol dependence: Is the concept of a chemical imbalance beneficial?. <i>Journal of Affective Disorders</i> , 2014, 168, 224-228.	4.1	53
30	Public attitudes regarding individual and structural discrimination: Two sides of the same coin?. <i>Social Science and Medicine</i> , 2014, 103, 60-66.	3.8	52
31	State of the art of population-based attitude research on mental health: a systematic review. <i>Epidemiology and Psychiatric Sciences</i> , 2017, 26, 252-264.	3.9	52
32	Medical Students' Attitudes towards Overweight and Obesity. <i>PLoS ONE</i> , 2012, 7, e48113.	2.5	51
33	Alcoholism: Illness beliefs and resource allocation preferences of the public. <i>Drug and Alcohol Dependence</i> , 2006, 82, 204-210.	3.2	50
34	Moderation of adult depression by the serotonin transporter promoter variant (5-HTTLPR), childhood abuse and adult traumatic events in a general population sample. <i>American Journal of Medical Genetics Part B: Neuropsychiatric Genetics</i> , 2012, 159B, 298-309.	1.7	50
35	The stigma of alcohol-related liver disease and its impact on healthcare. <i>Journal of Hepatology</i> , 2022, 77, 516-524.	3.7	50
36	Mental and physical health-related quality of life in obese patients before and after bariatric surgery: A meta-analysis. <i>Psychology, Health and Medicine</i> , 2015, 20, 165-176.	2.4	49

#	ARTICLE	IF	CITATIONS
37	The Stigma of Mental Illness as a Barrier to Self Labeling as Having a Mental Illness. <i>Journal of Nervous and Mental Disease</i> , 2017, 205, 903-909.	1.0	46
38	Attitudes of the German General Population toward Early Diagnosis of Dementia – Results of a Representative Telephone Survey. <i>PLoS ONE</i> , 2012, 7, e50792.	2.5	44
39	Do attitudes towards persons with mental illness worsen during the course of life? An age-period-cohort analysis. <i>Acta Psychiatrica Scandinavica</i> , 2015, 132, 357-364.	4.5	43
40	Associations of Leisure-Time and Occupational Physical Activity and Cardiorespiratory Fitness With Incident and Recurrent Major Depressive Disorder, Depressive Symptoms, and Incident Anxiety in a General Population. <i>Journal of Clinical Psychiatry</i> , 2017, 78, e41-e47.	2.2	43
41	Public beliefs about the causes of mental disorders revisited. <i>Psychiatry Research</i> , 2006, 144, 233-236.	3.3	42
42	Trends in non-help-seeking for mental disorders in Germany between 1997–1999 and 2009–2012: a repeated cross-sectional study. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2017, 52, 1005-1013.	3.1	42
43	Attitudes towards Alcohol Dependence and Affected Individuals: Persistence of Negative Stereotypes and Illness Beliefs between 1990 and 2011. <i>European Addiction Research</i> , 2014, 20, 293-299.	2.4	39
44	The relationship between biogenetic attributions and desire for social distance from persons with schizophrenia and major depression revisited. <i>Epidemiology and Psychiatric Sciences</i> , 2015, 24, 335-341.	3.9	38
45	Individuals with currently untreated mental illness: causal beliefs and readiness to seek help. <i>Epidemiology and Psychiatric Sciences</i> , 2019, 28, 446-457.	3.9	38
46	Perceived stigmatization and discrimination of people with mental illness: A survey-based study of the general population in five metropolitan cities in India. <i>Indian Journal of Psychiatry</i> , 2018, 60, 24.	0.7	38
47	Urban residence, victimhood and the appraisal of personal safety in people with schizophrenia: results from the European Schizophrenia Cohort (EuroSC). <i>Psychological Medicine</i> , 2008, 38, 591-597.	4.5	37
48	Ready, Willing and Able? An Investigation of the Theory of Planned Behaviour in Help-Seeking for a Community Sample with Current Untreated Depressive Symptoms. <i>Prevention Science</i> , 2020, 21, 749-760.	2.6	37
49	A Surveillance Tool Using Mobile Phone Short Message Service to Reduce Alcohol Consumption Among Alcohol-Dependent Patients. <i>Alcoholism: Clinical and Experimental Research</i> , 2014, 38, 1728-1736.	2.4	36
50	The treatment gap for mental disorders and associated factors in the Czech Republic. <i>European Psychiatry</i> , 2019, 59, 37-43.	0.2	35
51	Direct costs associated with depressive symptoms in late life: a 4.5-year prospective study. <i>International Psychogeriatrics</i> , 2013, 25, 292-302.	1.0	33
52	Changes in the perception of alcohol-related stigma in Germany over the last two decades. <i>Drug and Alcohol Dependence</i> , 2014, 143, 225-231.	3.2	33
53	Continuum beliefs and attitudes towards people with mental illness: Results from a national survey in France. <i>International Journal of Social Psychiatry</i> , 2015, 61, 297-303.	3.1	33
54	Cultural differences in stigma surrounding schizophrenia: Comparison between Central Europe and North Africa. <i>British Journal of Psychiatry</i> , 2016, 208, 389-397.	2.8	33
