#	ARTICLE	IF	CITATIONS
1	The Frequency of Malignant Neoplasms in Patients With Polymyositis-Dermatomyositis. Archives of Internal Medicine, 1985, 145, 1835.	3.8	105
2	The frequency of malignant neoplasms in patients with polymyositis-dermatomyositis. A controlled study. Archives of Internal Medicine, 1985, 145, 1835-1839.	3.8	35
3	The relationship of lead in soil to lead in blood and implications for standard setting. Science of the Total Environment, 1997, 208, 23-40.	8.0	23
4	Aboriginal Community-Level Predictors of Injury-Related Hospitalizations in British Columbia, Canada. Prevention Science, 2015, 16, 560-567.	2.6	17
5	Injury Hospitalizations Due to Unintentional Falls among the Aboriginal Population of British Columbia, Canada: Incidence, Changes over Time, and Ecological Analysis of Risk Markers, 1991-2010. PLoS ONE, 2015, 10, e0121694.	2.5	15
6	Worker compensation injuries among the Aboriginal population of British Columbia, Canada: incidence, annual trends, and ecological analysis of risk markers, 1987-2010. BMC Public Health, 2014, 14, 710.	2.9	12
7	Hepatitis A Among Residents of First Nations Reserves in British Columbia, 1991-1996. Canadian Journal of Public Health, 2003, 94, 176-179.	2.3	11
8	Injury risk in British Columbia, Canada, 1986 to 2009: are Aboriginal children and youth over-represented?. Injury Epidemiology, 2015, 2, 7.	1.8	11
9	The RISC research project: injury in First Nations communities in British Columbia, Canada. International Journal of Circumpolar Health, 2013, 72, 21182.	1.2	10
10	Is the injury gap closing between the Aboriginal and general populations of British Columbia?. Health Reports, 2015, 26, 3-14.	0.8	10
11	Injuries to Aboriginal populations living on- and off-reserve in metropolitan and non-metropolitan areas in British Columbia, Canada: Incidence and trends, 1986-2010. BMC Public Health, 2016, 16, 397.	2.9	9
12	Hospitalizations due to unintentional transport injuries among Aboriginal population of British Columbia, Canada: Incidence, changes over time and ecological analysis of risk markers. PLoS ONE, 2018, 13, e0191384.	2.5	9
13	A History of Process and Chemical Changes for Fungicide Application in the Western Canadian Lumber Industry: What Can We Learn?. Journal of Occupational and Environmental Hygiene, 1994, 9, 984-993.	0.4	8
14	Diabetes mellitus in the First Nations population of British Columbia, Canada. Part 2. Hospital morbidity. International Journal of Circumpolar Health, 2002, 61, 254-259.	1.2	8
15	Risk of Hospitalization Due to Unintentional Fall Injury in British Columbia, Canada, 1999-2008: Ecological Associations with Socioeconomic Status, Geographic Place, and Aboriginal Ethnicity. Journal of Racial and Ethnic Health Disparities, 2017, 4, 558-570.	3.2	8
16	Mobile Diabetes Telemedicine Clinics for Aboriginal First Nation People With Reported Diabetes in British Columbia. Canadian Journal of Diabetes, 2021, 45, 89-95.	0.8	8
17	Strategies for Determining Occupational Exposures in Risk Assessments: A Review and a Proposal for Assessing Fungicide Exposures in the Lumber Industry. AIHA Journal, 1994, 55, 443-449.	0.4	6
18	A diabetes mellitus in the First Nations population of British Columbia, Canada. Part 1. Mortality. International Journal of Circumpolar Health, 2002, 61, 251-253.	1.2	5

#	ARTICLE	IF	CITATIONS
19	Ecological analyses of the associations between injury risk and socioeconomic status, geography and Aboriginal ethnicity in British Columbia, Canada. SpringerPlus, 2016, 5, 567.	1.2	5
20	Intentional injury among the indigenous and total populations in British Columbia, Canada: trends over time and ecological analyses of risk. International Journal for Equity in Health, 2017, 16, 141.	3.5	5
21	Diet Survey of Two Cultural Groups in a Coastal British Columbia Community. Canadian Journal of Public Health, 1998, 89, 190-196.	2.3	3
22	Intentional Injury among the Aboriginal and Total Populations of British Columbia, Canada, 1991-2010: Inequities Associated with Ethnicity and Socioeconomic Status. Journal of Health Care for the Poor and Underserved, 2017, 28, 952-972.	0.8	3
23	Primary care visits due to injuries among the Aboriginal off-reserve population of British Columbia, Canada, 1991-2010. International Journal for Equity in Health, 2015, 14, 136.	3.5	2
24	Agreement of Point-of-Care Capillary Glycated Hemoglobin Levels with Conventional Screening Tests for Diabetes Mellitus in a Canadian First Nations Population. Canadian Journal of Diabetes, 2016, 40, 242-246.	0.8	1
