#	ARTICLE	IF	CITATIONS
1	Discrepancies between nurses' current and perceived necessary practices of family-centred care for hospitalised children and their families: A cross-sectional study. <i>Journal of Pediatric Nursing</i> , 2022, 62, e25-e31.	1.5	5
2	“We can bear it!” Unpacking barriers to hepatocellular carcinoma screening among patients with hepatitis B: A qualitative study. <i>Journal of Clinical Nursing</i> , 2022, 31, 3130-3143.	3.0	3
3	Association between genetic polymorphisms in cytochrome P450 enzymes and survivals in women with breast cancer receiving adjuvant endocrine therapy: a systematic review and meta-analysis. <i>Expert Reviews in Molecular Medicine</i> , 2022, 24, e1.	3.9	8
4	Effects of music intervention on anxiety, depression, and quality of life of cancer patients receiving chemotherapy: a systematic review and meta-analysis. <i>Supportive Care in Cancer</i> , 2022, 30, 5615-5626.	2.2	13
5	The Chinese version of the Revised Dyadic Adjustment Scale for gynaecological cancer patients and their partners: Translation and psychometric evaluation. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2022, 9, 48-54.	1.6	6
6	Psychological Wellbeing and Associated Factors Among Ethnic Minorities During the COVID-19 Pandemic. <i>Journal of Immigrant and Minority Health</i> , 2022, , 1.	1.6	6
7	Psychometric validation of the Chinese version of the M. D. Anderson Symptom Inventory’s Head and Neck Module in patients with nasopharyngeal carcinoma. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2022, 9, 113-118.	1.6	0
8	Cross-cultural adaptation and validation of a Chinese Preventive Health Model instrument for measuring the psychosocial factors in hepatocellular carcinoma screening among patients with hepatitis B. <i>Asian Nursing Research</i> , 2022, 16, 94-105.	1.4	2
9	A nurse-led sexual rehabilitation programme for rebuilding sexuality and intimacy after treatment for gynaecological cancer: Study protocol for a randomized controlled trial. <i>Journal of Advanced Nursing</i> , 2022, 78, 1503-1512.	3.3	1
10	Effects of family-oriented dignity therapy on dignity, depression and spiritual well-being of patients with lung cancer undergoing chemotherapy: A randomised controlled trial. <i>International Journal of Nursing Studies</i> , 2022, 129, 104217.	5.6	20
11	Effectiveness and Safety of Aromatherapy in Managing Behavioral and Psychological Symptoms of Dementia: A Mixed-Methods Systematic Review. <i>Dementia and Geriatric Cognitive Disorders Extra</i> , 2022, 11, 273-297.	1.3	3
12	Effect of a family-based multimedia intervention on the uptake of faecal immunohistochemical test among South Asian older adults: A cluster-randomised controlled trial. <i>International Journal of Nursing Studies</i> , 2022, 132, 104254.	5.6	4
13	Development and feasibility of culturally sensitive family-oriented dignity therapy for Chinese patients with lung cancer undergoing chemotherapy. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2022, 9, 100078.	1.6	3
14	Educational Interventions to Promote Cervical Cancer Screening among Rural Populations: A Systematic Review. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 6874.	2.6	12
15	Exploring social capital for family caregivers of patients with chronic organ failure: study protocol for a concept mapping study. <i>BMJ Open</i> , 2022, 12, e063691.	1.9	1
16	A practice model of sexuality nursing care: a concept mapping approach. <i>Supportive Care in Cancer</i> , 2021, 29, 1663-1673.	2.2	3
17	Oral mucositis among Chinese cancer patients receiving chemotherapy: Effects and management strategies. <i>Asia-Pacific Journal of Clinical Oncology</i> , 2021, 17, e10-e17.	1.1	6
18	Association of early-life gut microbiome and lifestyle factors in the development of eczema in Hong Kong infants. <i>Experimental Dermatology</i> , 2021, 30, 859-864.	2.9	11

#	ARTICLE	IF	CITATIONS
19	Development of a multimedia intervention to improve pneumoconiosis prevention in construction workers using RE-AIM framework. <i>Health Promotion International</i> , 2021, 36, 1439-1449.	1.8	0
20	Effects of a Rice Bran Dietary Intervention on the Composition of the Intestinal Microbiota of Adults with a High Risk of Colorectal Cancer: A Pilot Randomised-Controlled Trial. <i>Nutrients</i> , 2021, 13, 526.	4.1	14
21	Symptom clusters experienced by breast cancer patients at various treatment stages: A systematic review. <i>Cancer Medicine</i> , 2021, 10, 2531-2565.	2.8	50
22	Perceptions of Chinese Patients Treated for Gynaecological Cancer about Sexual Health and Sexual Information Provided by Healthcare Professionals: A Qualitative Study. <i>Cancers</i> , 2021, 13, 1654.	3.7	8
23	How patients with cancer experience dignity: An integrative review. <i>Psycho-Oncology</i> , 2021, 30, 1220-1231.	2.3	14
24	Enhancing generic capabilities and metacognitive awareness of first-year nursing students using active learning strategy. <i>BMC Nursing</i> , 2021, 20, 81.	2.5	10
25	Association of single nucleotide polymorphisms of cytochrome P450 enzymes with experience of vasomotor, vaginal and musculoskeletal symptoms among breast cancer patients: a systematic review. <i>BMC Cancer</i> , 2021, 21, 570.	2.6	2
26	Factor Structure of the Brief Coping Orientation to Problems Experienced Inventory in Chinese (Brief-COPE-C) in Caregivers of Children with Chronic Illnesses. <i>Journal of Pediatric Nursing</i> , 2021, 59, 63-69.	1.5	7
27	Managing the nutrition impact symptom cluster in patients with nasopharyngeal carcinoma using an educational intervention program: A pilot study. <i>European Journal of Oncology Nursing</i> , 2021, 53, 101980.	2.1	7
28	Development of A Nurse-Led Educational Intervention Program in Managing the Nutrition Impact Symptom Cluster in Patients with Nasopharyngeal Carcinoma following the Medical Research Council Framework. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2021, 8, 653.	1.6	8
29	Effects of immersive virtual reality for preventing and managing anxiety, nausea and vomiting among paediatric cancer patients receiving their first chemotherapy: A study protocol for an exploratory trial. <i>PLoS ONE</i> , 2021, 16, e0258514.	2.5	10
30	The effects of psychoeducational interventions on caregivers of children with cancer: A meta-analysis of randomized controlled trials. <i>Journal of Child Health Care</i> , 2020, 24, 123-142.	1.4	21
31	A theory-driven psychoeducational intervention programme for gynaecological cancer patients during treatment trajectory: A randomised controlled trial. <i>Psycho-Oncology</i> , 2020, 29, 437-443.	2.3	11
32	Nurses' perceptions of and barriers to the optimal end-of-life care in hospitals: A cross-sectional study. <i>Journal of Clinical Nursing</i> , 2020, 29, 1209-1219.	3.0	20
33	A systematic review and meta-analysis of couple-based intervention on sexuality and the quality of life of cancer patients and their partners. <i>Supportive Care in Cancer</i> , 2020, 28, 1607-1630.	2.2	22
34	The Effect of Nonpharmacological Interventions on Managing Symptom Clusters Among Cancer Patients. <i>Cancer Nursing</i> , 2020, 43, E304-E327.	1.5	19
35	Qualitative study on perceived dignity of cancer patients undergoing chemotherapy in China. <i>Supportive Care in Cancer</i> , 2020, 28, 2921-2929.	2.2	11
36	Effects of nurse-led interventions on early detection of cancer: A systematic review and meta-analysis. <i>International Journal of Nursing Studies</i> , 2020, 110, 103684.	5.6	34

#	ARTICLE	IF	CITATIONS
37	Altered Gut Microbiome and Environmental Factors Associated with Development of Eczema in Hong Kong Infants: A 4-Month Pilot Study. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7634.	2.6	7
38	Perceptions of optimal end-of-life care in hospitals: A cross-sectional study of nurses in three locations. <i>Journal of Advanced Nursing</i> , 2020, 76, 3014-3025.	3.3	5
39	Health Behaviors of Chinese Childhood Cancer Survivors: A Comparison Study with Their Siblings. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 6136.	2.6	6
40	A Review of Psychological Issues among Patients and Healthcare Staff during Two Major Coronavirus Disease Outbreaks in China: Contributory Factors and Management Strategies. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 6673.	2.6	27
41	Knowledge, Attitudes and Practices Towards COVID-19 Amongst Ethnic Minorities in Hong Kong. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 7878.	2.6	43
42	A systematic review of the effects of character strengths-based intervention on the psychological well-being of patients suffering from chronic illnesses. <i>Journal of Advanced Nursing</i> , 2020, 76, 1567-1580.	3.3	26
43	The Scope of Family-Centred Care Practices, and the Facilitators and Barriers to Implementation of Family-Centred Care for Hospitalised Children and their Families in Developing Countries: An Integrative Review. <i>Journal of Pediatric Nursing</i> , 2020, 55, 10-28.	1.5	20
44	Tamoxifen-related endocrine symptoms in Chinese patients with breast cancer. <i>Medicine (United Kingdom)</i> , 2020, 99, 100000.	1.0	6
45	The Effects of Pharmacological and Non-Pharmacological Interventions on Symptom Management and Quality of Life among Breast Cancer Survivors Undergoing Adjuvant Endocrine Therapy: A Systematic Review. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 2950.	2.6	17
46	Pharmacogenomics of breast cancer: highlighting CYP2D6 and tamoxifen. <i>Journal of Cancer Research and Clinical Oncology</i> , 2020, 146, 1395-1404.	2.5	25
47	The Role of Five Facets of Mindfulness in a Mindfulness-Based Psychoeducation Intervention for People With Recent-Onset Psychosis on Mental and Psychosocial Health Outcomes. <i>Frontiers in Psychiatry</i> , 2020, 11, 177.	2.6	14
48	A Mixed-Method Study Examining Cancer Screening Uptake among South Asian Ethnic Minorities in Hong Kong. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2020, 7, 12-17.	1.6	12
49	Genomics education in nursing in Hong Kong, Taiwan and Mainland China. <i>International Nursing Review</i> , 2019, 66, 459-466.	3.3	20
50	Validation of the Hong Kong Chinese version of the Support Person's Unmet Needs Survey Short Form. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 4103.	2.6	4
51	Effects of dignity therapy on dignity, psychological well-being, and quality of life among palliative care cancer patients: A systematic review and meta-analysis. <i>Psycho-Oncology</i> , 2019, 28, 1791-1802.	2.3	48
52	A systematic review of the effects of advance care planning facilitators training programs. <i>BMC Health Services Research</i> , 2019, 19, 362.	2.2	58
53	Effectiveness of Physical Activity Interventions on Pregnancy-Related Outcomes among Pregnant Women: A Systematic Review. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 1840.	2.6	59
54	A family-based multimedia intervention to enhance the uptake of colorectal cancer screening among older South Asian adults in Hong Kong: a study protocol for a cluster randomized controlled trial. <i>BMC Public Health</i> , 2019, 19, 652.	2.9	9

#	ARTICLE	IF	CITATIONS
55	Unfolding and displaying the influencing factors of advance directives from the stakeholder's perspective: A concept mapping approach. <i>Journal of Advanced Nursing</i> , 2019, 75, 1549-1562.	3.3	9
56	Prevalence, Perception, and Predictors of Advance Directives among Hong Kong Chinese: A Population-based Survey. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 365.	2.6	30
57	Trimethylamine-N-oxide as One Hypothetical Link for the Relationship between Intestinal Microbiota and Cancer - Where We Are and Where Shall We Go?. <i>Journal of Cancer</i> , 2019, 10, 5874-5882.	2.5	56
58	Development and evaluation of a multimedia intervention to promote cervical cancer prevention among South Asian women in Hong Kong. <i>Ethnicity and Health</i> , 2019, , 1-13.	2.5	5
59	Relationship between body image and health-related quality of life in Chinese cancer survivors during the transitional cancer survivorship. <i>Psycho-Oncology</i> , 2019, 28, 324-328.	2.3	6
60	The effectiveness of a nurse-led short term life review intervention in enhancing the spiritual and psychological well-being of people receiving palliative care: A mixed method study. <i>International Journal of Nursing Studies</i> , 2019, 91, 134-143.	5.6	76
61	A Mixed-Methods Study of Unmet Supportive Care Needs Among Head and Neck Cancer Survivors. <i>Cancer Nursing</i> , 2019, 42, 67-78.	1.5	31
62	A Theory-Based and Culturally Aligned Training Program on Breast and Cervical Cancer Prevention for South Asian Community Health Workers. <i>Cancer Nursing</i> , 2019, 42, E20-E30.	1.5	15
63	What Patients, Families, Health Professionals and Hospital Volunteers Told Us about Advance Directives. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2019, 6, 72.	1.6	16
64	Sexual function, psychosocial adjustment to illness, and quality of life among Chinese gynaecological cancer survivors. <i>Psycho-Oncology</i> , 2018, 27, 1257-1263.	2.3	21
65	Changes in nursing education in Hong Kong - Progressive or regressive?. <i>Nurse Education Today</i> , 2018, 64, 150-152.	3.3	6
66	A feasibility study on using tablet personal computers for self-reported symptom assessment in newly diagnosed lung cancer patients. <i>International Journal of Nursing Practice</i> , 2018, 24, e12658.	1.7	5
67	The perception of generic capabilities and learning environment among undergraduate nursing students after the implementation of a senior intake scheme. <i>Journal of Further and Higher Education</i> , 2018, 42, 158-165.	2.5	2
68	Understanding the cervical screening behaviour of Chinese women: The role of health care system and health professions. <i>Applied Nursing Research</i> , 2018, 39, 58-64.	2.2	9
69	Evaluating the direct economic burden of health care-associated infections among patients with colorectal cancer surgery in China. <i>American Journal of Infection Control</i> , 2018, 46, 34-38.	2.3	9
70	RNA-Seq revealed ATF3-regulated inflammation induced by silica. <i>Toxicology</i> , 2018, 393, 34-41.	4.2	14
71	The Association between Maternal Stress and Childhood Eczema: A Systematic Review. <i>International Journal of Environmental Research and Public Health</i> , 2018, 15, 395.	2.6	31
72	Effects of therapeutic play on children undergoing cast-removal procedures: a randomised controlled trial. <i>BMJ Open</i> , 2018, 8, e021071.	1.9	28

#	ARTICLE	IF	CITATIONS
73	Regulation of TLR4 in silica-induced inflammation: An underlying mechanism of silicosis. <i>International Journal of Medical Sciences</i> , 2018, 15, 986-991.	2.5	28
74	Association of toll-like receptor 5 polymorphisms (rs5744174 and rs851139) and eczema: a pilot birth cohort study in Hong Kong newborn babies. <i>International Journal of Dermatology</i> , 2018, 57, e134-e135.	1.0	2
75	Promoting Holistic Well-Being in Chronic Stroke Patients Through Leisure Art-Based Creative Engagement. <i>Rehabilitation Nursing</i> , 2017, 42, 58-66.	0.5	14
76	A Psychometric Evaluation of the Chinese Version of the M.D. Anderson Symptom Inventory-Heart Failure in Chinese Cancer Patients With Concurrent Heart Failure. <i>Rehabilitation Nursing</i> , 2017, 42, 354-361.	0.5	1
77	Translation and validation of tools for assessing health-related quality of life and male sexual function in Hong Kong Chinese patients during transitional cancer survivorship. <i>Supportive Care in Cancer</i> , 2017, 25, 2187-2193.	2.2	3
78	The uptake of cervical cancer screening among South Asians and the general population in Hong Kong: A comparative study. <i>Journal of Cancer Policy</i> , 2017, 12, 90-96.	1.4	25
79	Symptom clusters in patients with nasopharyngeal carcinoma during radiotherapy. <i>European Journal of Oncology Nursing</i> , 2017, 28, 7-13.	2.1	29
80	Profiling of the silica-induced molecular events in lung epithelial cells using the RNA-Seq approach. <i>Journal of Applied Toxicology</i> , 2017, 37, 1162-1173.	2.8	13
81	A Systematic Review and Meta-Analysis of Acupressure for Postoperative Gastrointestinal Symptoms among Abdominal Surgery Patients. <i>The American Journal of Chinese Medicine</i> , 2017, 45, 1127-1145.	3.8	13
82	The use of life review to enhance spiritual well-being in patients with terminal illnesses: An integrative review. <i>Journal of Clinical Nursing</i> , 2017, 26, 4201-4211.	3.0	12
83	Exploring Chinese Women's Perception of Cervical Cancer Risk as It Impacts Screening Behavior. <i>Cancer Nursing</i> , 2017, 40, E17-E25.	1.5	15
84	Novel Strategies on Personalized Medicine for Breast Cancer Treatment: An Update. <i>International Journal of Molecular Sciences</i> , 2017, 18, 2423.	4.1	59
85	Effects of Promotional Materials on Attitudes and Fear towards Colorectal Cancer Screening among Chinese Older Adults: An Experimental Study. <i>International Journal of Environmental Research and Public Health</i> , 2017, 14, 769.	2.6	1
86	Development and evaluation of multimedia interventions to promote breast and cervical health among South Asian women in Hong Kong: A project protocol. <i>Asia-Pacific Journal of Oncology Nursing</i> , 2017, 4, 361-365.	1.6	8
87	A Review of Psychoeducational Interventions to Improve Sexual Functioning, Quality of Life, and Psychological Outcomes in Gynecological Cancer Patients. <i>Cancer Nursing</i> , 2016, 39, 20-31.	1.5	44
88	Contributing Factors to Colorectal Cancer Screening among Chinese People: A Review of Quantitative Studies. <i>International Journal of Environmental Research and Public Health</i> , 2016, 13, 506.	2.6	26
89	Examining the Cervical Screening Behaviour of Women Aged 50 or above and Its Predicting Factors: A Population-Based Survey. <i>International Journal of Environmental Research and Public Health</i> , 2016, 13, 1195.	2.6	21
90	The Utilization of the Immune System in Lung Cancer Treatment: Beyond Chemotherapy. <i>International Journal of Molecular Sciences</i> , 2016, 17, 286.	4.1	7

#	ARTICLE	IF	CITATIONS
91	Environmental Factors Associated with Altered Gut Microbiota in Children with Eczema: A Systematic Review. <i>International Journal of Molecular Sciences</i> , 2016, 17, 1147.	4.1	20
92	Current Hypothesis for the Relationship between Dietary Rice Bran Intake, the Intestinal Microbiota and Colorectal Cancer Prevention. <i>Nutrients</i> , 2016, 8, 569.	4.1	26
93	Do empowered stroke patients perform better at self-management and functional recovery after a stroke? A randomized controlled trial. <i>Clinical Interventions in Aging</i> , 2016, Volume 11, 1441-1450.	2.9	59
94	Information needs of patients with heart failure: Health professionals' perspectives. <i>International Journal of Nursing Practice</i> , 2016, 22, 348-355.	1.7	8
95	A feasibility and efficacy randomised controlled trial of swaddling for controlling procedural pain in preterm infants. <i>Journal of Clinical Nursing</i> , 2016, 25, 472-482.	3.0	31
96	The Effectiveness of Psychoeducational Intervention on Managing Symptom Clusters in Patients With Cancer. <i>Cancer Nursing</i> , 2016, 39, 279-291.	1.5	26
97	Determinants of participation in colorectal cancer screening among community-dwelling Chinese older people: Testing a comprehensive model using a descriptive correlational study. <i>European Journal of Oncology Nursing</i> , 2016, 21, 17-23.	2.1	25
98	Information needs of older people with heart failure: listening to their own voice. <i>Journal of Geriatric Cardiology</i> , 2016, 13, 435-8.	0.2	3
99	Innovative Health Promotion Program on Breast Cancer Screening for Ethnic Minority Women in Hong Kong. <i>JOGNN - Journal of Obstetric, Gynecologic, and Neonatal Nursing</i> , 2015, 44, S1.	0.5	3
100	A health education booklet and telephone follow-ups can improve medication adherence, health-related quality of life, and psychological status of patients with heart failure. <i>Heart and Lung: Journal of Acute and Critical Care</i> , 2015, 44, 400-407.	1.6	26
101	Feasibility of psychoeducational interventions in managing chemotherapy-associated nausea and vomiting (CANV) in pediatric oncology patients. <i>European Journal of Oncology Nursing</i> , 2015, 19, 182-190.	2.1	16
102	Perception of Cervical Cancer Risk and Screening Behavior: A Literature Review. <i>International Journal of Nursing Knowledge</i> , 2015, 26, 2-18.	1.0	15
103	Brassiere wearing and breast cancer risk: A systematic review and meta-analysis. <i>World Journal of Meta-analysis</i> , 2015, 3, 193.	0.1	2
104	Comparison Study of Uptake of Colorectal Cancer Testing between Ethnic Minorities and the General Population in Hong Kong. <i>Asian Pacific Journal of Cancer Prevention</i> , 2015, 16, 7713-7720.	1.2	9
105	The evaluation of a palliative care programme for people suffering from life-limiting diseases. <i>Journal of Clinical Nursing</i> , 2014, 23, 113-123.	3.0	22
106	The mediating role of health professionals' recommendation in the uptake of colorectal cancer testing among older Chinese adults. <i>International Journal of Nursing Practice</i> , 2014, 20, 170-178.	1.7	2
107	A qualitative study on the roles and responsibilities of nurse consultants in Hong Kong. <i>International Journal of Nursing Practice</i> , 2014, 20, 475-481.	1.7	11
108	Uptake of breast screening and associated factors among Hong Kong women aged ≥50 years: a population-based survey. <i>Public Health</i> , 2014, 128, 1009-1016.	2.9	9
