|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| 1  | Complete-arch accuracy of intraoral scanners. <i>Journal of Prosthetic Dentistry</i> , 2018, 120, 382-388.                                                                                                                                                                                          | 2.8 | 88        |
| 2  | Comparative Effectiveness of Levothyroxine, Desiccated Thyroid Extract, and Levothyroxine+Liothyronine in Hypothyroidism. <i>Journal of Clinical Endocrinology and Metabolism</i> , 2021, 106, e4400-e4413.                                                                                         | 3.6 | 47        |
| 3  | Outcomes and complications of triceps tendon repair following acute rupture in American military personnel. <i>Injury</i> , 2016, 47, 2247-2251.                                                                                                                                                    | 1.7 | 30        |
| 4  | Intraocular Foreign Body Trauma in Operation Iraqi Freedom and Operation Enduring Freedom. <i>Ophthalmology</i> , 2018, 125, 1675-1682.                                                                                                                                                             | 5.2 | 29        |
| 5  | Morphological Distribution of the Anterior Inferior Iliac Spine in Patients With and Without Hip Impingement: Reliability, Validity, and Relationship to the Intraoperative Assessment. <i>American Journal of Sports Medicine</i> , 2017, 45, 1117-1123.                                           | 4.2 | 23        |
| 6  | Fascia Iliaca Blockade With the Addition of Liposomal Bupivacaine Versus Plain Bupivacaine for Perioperative Pain Management During Hip Arthroscopy: A Double-Blinded Prospective Randomized Control Trial. <i>Arthroscopy - Journal of Arthroscopic and Related Surgery</i> , 2019, 35, 2608-2616. | 2.7 | 23        |
| 7  | The relationship between vitamin D status and depression in a tactical athlete population. <i>Journal of the International Society of Sports Nutrition</i> , 2019, 16, 40.                                                                                                                          | 3.9 | 14        |
| 8  | Retentive Forces of Removable Partial Denture Clasp Assemblies Made from Polyaryletherketone and Cobalt-Chromium: A Comparative Study. <i>Journal of Prosthodontics</i> , 2022, 31, 299-304.                                                                                                        | 3.7 | 13        |
| 9  | Reaction Time and Brake Pedal Depression Following Arthroscopic Hip Surgery: A Prospective Case-Control Study. <i>Arthroscopy - Journal of Arthroscopic and Related Surgery</i> , 2018, 34, 1463-1470.e1.                                                                                           | 2.7 | 11        |
| 10 | Incidence and Risk Factors of Acute Patellar Tendon Rupture, Repair Failure, and Return to Activity in the Active-Duty Military Population. <i>American Journal of Sports Medicine</i> , 2021, 49, 2916-2923.                                                                                       | 4.2 | 10        |
| 11 | Combining Discordant Serum IgE and Skin Testing Improves Diagnostic and Therapeutic Accuracy for Hymenoptera Venom Hypersensitivity Immunotherapy. <i>Journal of Allergy and Clinical Immunology: in Practice</i> , 2022, 10, 837-843.e3.                                                           | 3.8 | 10        |
| 12 | Prescription Patterns and Risk Factors for Prolonged Opioid Dependence in Elective Anterior Cruciate Ligament Reconstruction in a Military Population. <i>Orthopaedic Journal of Sports Medicine</i> , 2020, 8, 232596712092648.                                                                    | 1.7 | 9         |
| 13 | Preoperative pudendal block with liposomal and plain bupivacaine reduces pain associated with posterior colporrhaphy: a double-blinded, randomized controlled trial. <i>American Journal of Obstetrics and Gynecology</i> , 2021, 225, 556.e1-556.e10.                                              | 1.3 | 8         |
| 14 | Orbital Fractures and Associated Ocular Injuries in Operation Iraqi Freedom and Operation Enduring Freedom Referred to a Tertiary Care Military Hospital and the Effect on Final Visual Acuity. <i>Ophthalmic Plastic and Reconstructive Surgery</i> , 2020, 36, 55-60.                             | 0.8 | 7         |
| 15 | Pulmonary Pathology Diagnoses in the US Military During the Global War on Terrorism. <i>Lung</i> , 2021, 199, 345-355.                                                                                                                                                                              | 3.3 | 7         |
| 16 | Poor Sleep Quality is Linked to Elevated Extracellular Vesicle-Associated Inflammatory Cytokines in Warfighters With Chronic Mild Traumatic Brain Injuries. <i>Frontiers in Pharmacology</i> , 2021, 12, 762077.                                                                                    | 3.5 | 7         |
| 17 | Imported fire ant immunotherapy prescribing patterns in a large health care system during an 11-year period. <i>Annals of Allergy, Asthma and Immunology</i> , 2020, 125, 577-580.                                                                                                                  | 1.0 | 6         |
| 18 | Talking About Childhood Obesity: A Survey of What Parents Want. <i>Academic Pediatrics</i> , 2019, 19, 756-763.                                                                                                                                                                                     | 2.0 | 5         |

| #  | ARTICLE                                                                                                                                                                                                                                                              | IF  | CITATIONS |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| 19 | A Clinical Evaluation of Cone-beam Computed Tomography: Implications for Endodontic Microsurgery. <i>Journal of Endodontics</i> , 2021, 47, 895-901.                                                                                                                 | 3.1 | 5         |
| 20 | Factors Associated With Progression to Surgical Intervention for Lumbar Disc Herniation in the Military Health System. <i>Spine</i> , 2021, 46, E392-E397.                                                                                                           | 2.0 | 5         |
| 21 | Outcomes of eosinophilic esophagitis in patients managed in a multidisciplinary clinic. <i>Allergy and Asthma Proceedings</i> , 2022, 43, 78-84.                                                                                                                     | 2.2 | 5         |
| 22 | Evaluating the Impact of Office Hysteroscopy in a Military Treatment Facility. <i>Military Medicine</i> , 2020, 185, e1686-e1692.                                                                                                                                    | 0.8 | 4         |
| 23 | Hyphema in Open-Globe Versus Closed-Globe Injuries in Operation Iraqi Freedom and Enduring Freedom: 2001-2011. <i>Military Medicine</i> , 2020, 185, e768-e773.                                                                                                      | 0.8 | 4         |
| 24 | A randomized controlled trial of liposomal bupivacaine for pain following obstetrical laceration. <i>American Journal of Obstetrics &amp; Gynecology</i> MFM, 2020, 2, 100115.                                                                                       | 2.6 | 4         |
| 25 | Retrospective Assessment of the Efficacy of Modified Progressive Tinnitus Management Skills Education in a Military Medical Treatment Facility. <i>Military Medicine</i> , 2019, 184, e468-e473.                                                                     | 0.8 | 3         |
| 26 | Ocular Trauma in Operation Iraqi Freedom and Operation Enduring Freedom from 2001 to 2011: A Bayesian Network Analysis. <i>Ophthalmic Epidemiology</i> , 2021, 28, 312-321.                                                                                          | 1.7 | 3         |
| 27 | Open-globe wounds in operation Iraqi Freedom and Operation Enduring Freedom: risk factors for poor visual outcomes and enucleation. <i>Acta Ophthalmologica</i> , 2021, 99, 904-908.                                                                                 | 1.1 | 3         |
| 28 | Reduced Axial Scan Length Coronary Calcium Scoring Reduces Radiation Dose and Provides Adequate Clinical Decision-Making Before Coronary CT Angiography. <i>Tomography</i> , 2020, 6, 356-361.                                                                       | 1.8 | 3         |
| 29 | Total Joint Arthroplasty Volume in the Military Health System. <i>Military Medicine</i> , 2020, 185, e1051-e1056.                                                                                                                                                    | 0.8 | 2         |
| 30 | Time and Accuracy of the CEREC Omnicam Using Two Different Software Programs. <i>Journal of Prosthodontics</i> , 2021, , .                                                                                                                                           | 3.7 | 1         |
| 31 | Longitudinal Analysis of Circulating Markers of Bone Turnover Across Multiple Decades in Osteoporotic Women. <i>Journal of Hand Surgery</i> , 2021, , .                                                                                                              | 1.6 | 1         |
| 32 | The Impact of Combat Ocular Trauma and Traumatic Brain Injury on Vision- and Health-Related Quality of Life Among U.S. Military Casualties. <i>Military Medicine</i> , 2022, 187, 209-215.                                                                           | 0.8 | 1         |
| 33 | Response to Letter to the Editor From Bonnema et al: "Comparative Effectiveness of Levothyroxine, Desiccated Thyroid Extract, and Levothyroxine + Liothyronine in Hypothyroidism". <i>Journal of Clinical Endocrinology and Metabolism</i> , 2022, 107, e1327-e1328. | 3.6 | 1         |
| 34 | Biochemical Compositional Analysis of Cadaveric Rib Cartilage. <i>Facial Plastic Surgery and Aesthetic Medicine</i> , 2021, , .                                                                                                                                      | 0.9 | 1         |
| 35 | Does acute normovolemic hemodilution shorten viscoelastic test clot initiation after cardiopulmonary bypass?. <i>Journal of Clinical Anesthesia</i> , 2020, 67, 109983.                                                                                              | 1.6 | 0         |
| 36 | Circadian and seasonal variations in subcutaneous allergen immunotherapy reactions. <i>Annals of Allergy, Asthma and Immunology</i> , 2021, 127, 595-596.                                                                                                            | 1.0 | 0         |
