#	ARTICLE	IF	CITATIONS
1	I didn't feel safe inside: navigating public health advice, housing and living with bushfire smoke. <i>Critical Public Health</i> , 2023, 33, 230-240.	2.4	6
2	Bushfire Smoke in Our Eyes: Community Perceptions and Responses to an Intense Smoke Event in Canberra, Australia. <i>Frontiers in Public Health</i> , 2022, 10, 793312.	2.7	6
3	The Association Between Connectedness and Grit Among Thai In-school Adolescents in Urban Chiang Mai, Thailand. <i>Frontiers in Psychology</i> , 2022, 13, 809508.	2.1	2
4	Facebook Feeds and Child Feeding: A Qualitative Study of Thai Mothers in Online Child Feeding Support Groups. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 5882.	2.6	2
5	Unencumbered and still unequal? Work hour - Health tipping points and gender inequality among older, employed Australian couples. <i>SSM - Population Health</i> , 2022, , 101121.	2.7	1
6	Role of home visits by volunteer community health workers: to improve the coverage of micronutrient powders in rural Bangladesh. <i>Public Health Nutrition</i> , 2021, 24, s48-s58.	2.2	13
7	Use of concurrent evaluation to improve implementation of a home fortification programme in Bangladesh: a methodological innovation. <i>Public Health Nutrition</i> , 2021, 24, s37-s47.	2.2	13
8	Factors associated with home visits by volunteer community health workers to implement a home-fortification intervention in Bangladesh: a multilevel analysis. <i>Public Health Nutrition</i> , 2021, 24, s23-s36.	2.2	14
9	Developing a conceptual framework for implementation science to evaluate a nutrition intervention scaled-up in a real-world setting. <i>Public Health Nutrition</i> , 2021, 24, s7-s22.	2.2	21
10	Long-term air pollution exposure and self-reported morbidity: A longitudinal analysis from the Thai cohort study (TCS). <i>Environmental Research</i> , 2021, 192, 110330.	7.5	17
11	Child feeding practices and concerns: Thematic content analysis of Thai virtual communities. <i>Maternal and Child Nutrition</i> , 2021, 17, e13095.	3.0	7
12	Pathways to care: a case study of traffic injury in Vietnam. <i>BMC Public Health</i> , 2021, 21, 515.	2.9	3
13	Recipe Components and Parents' Infant and Young Child Feeding Concerns: A Mixed-Methods Study of Recipe Posts Shared in Thai Facebook Groups for Parents. <i>Nutrients</i> , 2021, 13, 1186.	4.1	3
14	Shan Migrant Sex Workers Living with HIV Who Remain Active in Sexual Entertainment Venues in Chiang Mai, Thailand. <i>Journal of Racial and Ethnic Health Disparities</i> , 2021, , 1.	3.2	1
15	Health and social concerns about living in three communities affected by per- and polyfluoroalkyl substances (PFAS): A qualitative study in Australia. <i>PLoS ONE</i> , 2021, 16, e0245141.	2.5	24
16	Flexible Work, Temporal Disruption and Implications for Health Practices: An Australian Qualitative Study. <i>Work, Employment and Society</i> , 2021, 35, 277-295.	2.7	9
17	Intimate Relationships and HIV Infection Risks Among Shan Female Sex Workers From Myanmar in Chiang Mai, Thailand: A Qualitative Study. <i>AIDS Education and Prevention</i> , 2021, 33, 551-566.	1.1	1
18	Blue collar timescapes: work, health, and pension eligibility age for mature age Australian bus drivers. <i>Critical Public Health</i> , 2020, , 1-10.	2.4	2

#	ARTICLE	IF	CITATIONS
19	Sexual risk behaviours and HIV knowledge and beliefs of Shan migrants from Myanmar living with HIV in Chiang Mai, Thailand. <i>International Journal of Migration, Health and Social Care</i> , 2020, 16, 543-556.	0.5	4
20	Performance of volunteer community health workers in implementing home-fortification interventions in Bangladesh: A qualitative investigation. <i>PLoS ONE</i> , 2020, 15, e0230709.	2.5	18
21	The Effect of Women's Differential Access to Messages on Their Adoption of Mobile Health Services and Pregnancy Behavior in Bangladesh: Retrospective Cross-Sectional Study. <i>JMIR MHealth and UHealth</i> , 2020, 8, e17665.	3.7	10
22	Intergenerational Contradictions in Body Image Standards Among Australian Immigrant Mothers and Children: A Mixed-Methods Study. <i>Global Journal of Health Science</i> , 2020, 12, 47.	0.2	1
23	Adoption of Mobile Phone Messages for Delivery and Newborn Care in Bangladesh. <i>Global Journal of Health Science</i> , 2020, 12, 20.	0.2	1
24	Highly Skilled South Asian Migrant Women in Australia: Hidden Economic Assets. <i>Global Journal of Health Science</i> , 2020, 12, 130.	0.2	0
25	Title is missing!. , 2020, 15, e0230709.		0
26	Title is missing!. , 2020, 15, e0230709.		0
27	Title is missing!. , 2020, 15, e0230709.		0
28	Title is missing!. , 2020, 15, e0230709.		0
29	Title is missing!. , 2020, 15, e0230709.		0
30	Title is missing!. , 2020, 15, e0230709.		0
31	Implementation of the World's largest measles-rubella mass vaccination campaign in Bangladesh: a process evaluation. <i>BMC Public Health</i> , 2019, 19, 925.	2.9	18
32	Putting Culture into Prehospital Emergency Care: A Systematic Narrative Review of Literature from Lower Middle-Income Countries. <i>Prehospital and Disaster Medicine</i> , 2019, 34, 510-520.	1.3	9
33	Functional limitations and life satisfaction dynamics among Asian-born migrants and Australian-born participants in the HILDA study. <i>Australasian Journal on Ageing</i> , 2019, 38, 284-289.	0.9	0
34	The Social, Cultural, and Familial Contexts Contributing to Childhood Obesity. , 2019, , 105-116.		1
35	Flexible employment policies, temporal control and health promoting practices: A qualitative study in two Australian worksites. <i>PLoS ONE</i> , 2019, 14, e0224542.	2.5	11
36	Drivers of Overweight/Obesity in 4-11 Year Old Children of Australians and Immigrants; Evidence from Growing Up in Australia. <i>Journal of Immigrant and Minority Health</i> , 2019, 21, 737-750.	1.6	14

#	ARTICLE	IF	CITATIONS
37	A cultural economy approach to workplace health promotion in Australian small and medium sized workplaces: a critical qualitative study. <i>Critical Public Health</i> , 2019, 29, 100-109.	2.4	1
38	Patientsâ€™ and Doctorsâ€™ Perceptions of a Mobile Phoneâ€“Based Consultation Service for Maternal, Neonatal, and Infant Health Care in Bangladesh: A Mixed-Methods Study. <i>JMIR MHealth and UHealth</i> , 2019, 7, e11842.	3.7	36
39	Title is missing!. , 2019, 14, e0224542.		0
40	Title is missing!. , 2019, 14, e0224542.		0
41	Title is missing!. , 2019, 14, e0224542.		0
42	Title is missing!. , 2019, 14, e0224542.		0
43	Time and participation in workplace health promotion: Australian qualitative study. <i>Health Promotion International</i> , 2018, 33, daw078.	1.8	18
44	Barriers to a healthy lifestyle for three- to four-year-old children of Australian-born and overseas-born mothers with post-gestational diabetes: An Australian qualitative study. <i>Journal of Child Health Care</i> , 2018, 22, 447-459.	1.4	5
45	Social determinants of household food expenditure in Australia: the role of education, income, geography and time. <i>Public Health Nutrition</i> , 2018, 21, 902-911.	2.2	32
