| #  | ARTICLE  | IF  | CITATIONS |
|----|--|-----|-----------|
| 1  | Returning to Work After Stroke: Perspectives of Employer Stakeholders, a Qualitative Study. <i>Journal of Occupational Rehabilitation</i> , 2013, 23, 406-418.   | 2.2 | 67        |
| 2  | What Concerns Workers with Low Back Pain? Findings of a Qualitative Study of Patients Referred for Rehabilitation. <i>Journal of Occupational Rehabilitation</i> , 2010, 20, 472-480.                          | 2.2 | 56        |
| 3  | Staying at work with back pain: patients' experiences of work-related help received from GPs and other clinicians. A qualitative study. <i>BMC Musculoskeletal Disorders</i> , 2010, 11, 190.                  | 1.9 | 38        |
| 4  | Low back pain patients' experiences of work modifications; a qualitative study. <i>BMC Musculoskeletal Disorders</i> , 2010, 11, 277.  | 1.9 | 29        |
| 5  | Work problems due to low back pain: what do GPs do? A questionnaire survey. <i>Family Practice</i> , 2010, 27, 31-37.  | 1.9 | 25        |
| 6  | Hip Precautions following Primary Total Hip Replacement: A National Survey of Current Occupational Therapy Practice. <i>British Journal of Occupational Therapy</i> , 2012, 75, 164-170.                       | 0.9 | 23        |
| 7  | Individual work support for employed patients with low back pain: a randomized controlled pilot trial. <i>Clinical Rehabilitation</i> , 2013, 27, 40-50.   | 2.2 | 12        |
| 8  | Communicating with Employers: Experiences of Occupational Therapists Treating People with Musculoskeletal Conditions. <i>Journal of Occupational Rehabilitation</i> , 2014, 24, 585-595.                       | 2.2 | 12        |
| 9  | Hip precautions after total hip replacement and their discontinuation from practice: patient perceptions and experiences. <i>Disability and Rehabilitation</i> , 2021, 43, 2890-2896.                          | 1.8 | 12        |
| 10 | How do GPs complete fit note comments?. <i>Occupational Medicine</i> , 2013, 63, 575-578.  | 1.4 | 11        |
| 11 | Completion of fit notes by GPs: a mixed methods study. <i>Perspectives in Public Health</i> , 2015, 135, 233-242.  | 1.6 | 11        |
| 12 | Evaluation of hip precautions following total hip replacement: a before and after study. <i>Disability and Rehabilitation</i> , 2021, 43, 2882-2889.   | 1.8 | 11        |
| 13 | What Do Clinicians Think about Hip Precautions following Total Hip Replacement?. <i>British Journal of Occupational Therapy</i> , 2013, 76, 300-307.   | 0.9 | 9         |
| 14 | Return-to-work outcomes and usefulness of actual fit notes received by employers. <i>Family Practice</i> , 2015, 32, 551-556.  | 1.9 | 9         |
| 15 | What do we tell patients about elective total hip replacement in the UK? An analysis of patient literature. <i>BMC Musculoskeletal Disorders</i> , 2013, 14, 152.  | 1.9 | 8         |
| 16 | Development of an occupational advice intervention for patients undergoing lower limb arthroplasty (the OPAL study). <i>BMC Health Services Research</i> , 2018, 18, 504.                                      | 2.2 | 8         |
| 17 | Managing Employees Undergoing Total Hip and Knee Replacement: Experiences of Workplace Representatives. <i>Journal of Occupational Rehabilitation</i> , 2019, 29, 451-461.                                     | 2.2 | 8         |
| 18 | Using intervention mapping to develop an occupational advice intervention to aid return to work following hip and knee replacement in the United Kingdom. <i>BMC Health Services Research</i> , 2020, 20, 523. | 2.2 | 8         |

| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 19 | Return to work advice after total hip and knee replacement. <i>Occupational Medicine</i> , 2020, 70, 113-118.   | 1.4 | 8         |
| 20 | Occupational advice to help people return to work following lower limb arthroplasty: the OPAL intervention mapping study. <i>Health Technology Assessment</i> , 2020, 24, 1-408.  | 2.8 | 8         |
| 21 | Total hip and knee replacement and return to work: clinicians'™ perspectives. <i>Disability and Rehabilitation</i> , 2021, 43, 1247-1254.   | 1.8 | 7         |
| 22 | Engaging workplace representatives in research: what recruitment strategies work best?. <i>Occupational Medicine</i> , 2018, 68, 282-285.   | 1.4 | 5         |
