#	ARTICLE	IF	CITATIONS
1	BDD-NET – Ein internetbasiertes Programm bei Körperperunzufriedenheit zur niedrigschwelligen Behandlung der Körperdysmorphen Störung für den deutschen Sprachraum. Verhaltenstherapie, 2022, 32, 1-10.	0.4	3
2	Brain functional correlates of emotional face processing in body dysmorphic disorder. Journal of Psychiatric Research, 2022, 147, 103-110.	3.1	0
3	A smartphone app for the prevention and early intervention of body dysmorphic disorder: Development and evaluation of the content, usability, and aesthetics. Internet Interventions, 2022, 28, 100521.	2.7	7
4	Interpretation Bias Across Body Dysmorphic, Social Anxiety and Generalized Anxiety Disorder – A Multilevel, Diffusion Model Account. Cognitive Therapy and Research, 2021, 45, 715-729.	1.9	5
5	Mental health stigma and professional help-seeking attitudes a comparison between Cuba and Germany. PLoS ONE, 2021, 16, e0246501.	2.5	10
6	Temporal dynamics of insight in body dysmorphic disorder: An ecological momentary assessment study.. Journal of Abnormal Psychology, 2021, 130, 365-376.	1.9	13
7	Disentangling the contributions of agentic, antagonistic, and neurotic narcissism to drive for thinness and drive for muscularity. PLoS ONE, 2021, 16, e0253187.	2.5	2
8	Low intensity technology-delivered cognitive behavioral therapy for obsessive-compulsive disorder: a meta-analysis. BMC Psychiatry, 2021, 21, 322.	2.6	21
9	Body dysmorphic disorder and self-esteem: a meta-analysis. BMC Psychiatry, 2021, 21, 310.	2.6	23
10	The role of biases in the judgement processing of (un)attractive faces in body dysmorphic symptomatology. Behaviour Research and Therapy, 2021, 144, 103919.	3.1	6
11	The role of stigma during the course of inpatient psychotherapeutic treatment in a German sample. Clinical Psychology and Psychotherapy, 2020, 27, 239-248.	2.7	3
12	Comparing effects of detached mindfulness and cognitive restructuring in obsessive-compulsive disorder using ecological momentary assessment. Clinical Psychology and Psychotherapy, 2020, 27, 193-202.	2.7	8
13	Gazing rituals in body dysmorphic disorder. Journal of Behavior Therapy and Experimental Psychiatry, 2020, 68, 101522.	1.2	7
14	Perceived Impact of Covid-19 Across Different Mental Disorders: A Study on Disorder-Specific Symptoms, Psychosocial Stress and Behavior. Frontiers in Psychology, 2020, 11, 586246.	2.1	74
15	Internet-based interpretation bias modification for body dissatisfaction: A three-armed randomized controlled trial. International Journal of Eating Disorders, 2020, 53, 972-986.	4.0	12
16	An empirically derived recommendation for the classification of body dysmorphic disorder: Findings from structural equation modeling. PLoS ONE, 2020, 15, e0233153.	2.5	11
17	Treatment utilization and treatment barriers in individuals with body dysmorphic disorder. BMC Psychiatry, 2020, 20, 69.	2.6	37
18	Title is missing!, 2020, 15, e0233153.		0
