

Comparative Effectiveness for Survival and Renal Function after Partial versus Radical Nephrectomy for Localized Renal Tumors: A Systematic Review

Journal of Urology

188, 51-57

DOI: [10.1016/j.juro.2012.03.006](https://doi.org/10.1016/j.juro.2012.03.006)
